Cornish Metals Inc
("Cornish Metals" or the "Company")
Strategic Investment and Proposed Fundraising of a minimum of £56 million

Cornish Metals Inc. (AIM/TSX-V: CUSN), a mineral exploration and development company focused on the advancement and restart of its 100% owned-and-permitted South Crofty high-grade tin project in Cornwall, the United Kingdom, is pleased to announce that it is undertaking a proposed fundraising to raise a minimum of £56 million (the "**Fundraising**").

As part of the Fundraising, the Company today announces that it has conditionally raised up to £28.75 million by way of a strategic investment by the National Wealth Fund Limited ("**NWF**"), a company wholly-owned by HM Treasury (the "**NWF Subscription**"), pursuant to which NWF has conditionally agreed to subscribe for up to 359,375,000 new common shares of no par value each ("**Common Shares**") (the "**NWF Subscription Share**£") at 8 pence per share (the "**Issue Price**"). The NWF Subscription Shares are subject to the scale back arrangements as described below, subject to NWF investing a minimum of £25 million (before expenses).

Vision Blue Resources Limited ("**Vision Blue**" or "**VBR**"), which currently holds approximately 25.95 per cent. of the issued share capital of the Company, has also conditionally agreed to subscribe at the Issue Price (the "**VBR Subscription**") as follows: (i) for such number of new Common Shares which are required in order to maintain its c. 25.95 per cent. ownership interest in the Company following the results of the Fundraising pursuant to the exercise of its Participation Right (as more fully described below) (the "**VBR Participation Right Shares**"); and (ii) in addition and separately from its Participation Right, such further number of Common Shares as shall be required in order for the VBR Subscription to raise, in aggregate, up to a maximum of £18,280,550 (before expenses) for the Company (the "**VBR Additional Subscription Share**£" and, together with the VBR Participation Right Shares, the "**VBR Subscription Share**£"). The VBR Additional Subscription Shares are subject to the scale back arrangements as described below, subject to VBR subscribing for a minimum number of Common Shares to maintain its c. 25.95% ownership interest in the Company immediately following the completion of the Fundraising.

The Company also announces that it has engaged each of H&P Advisory Ltd ("**Hannam & Partners**") and SP Angel Corporate Finance LLP ("**SP Angel**") as joint bookrunners ("**Joint Bookrunners**") and Canaccord Genuity Limited ("**Canaccord Genuity**") as co-manager ("**Co-Manager**") (the Joint Bookrunners and the Co-Manager, together, the "**Placing Agents**") to raise c.£8.8 million (before expenses) by way of a conditional placing to both new and existing institutional and other investors (the "**Placing**") at the Issue Price. The Company has

both new and existing institutional and other investors (the "Fundraising") at the Issue Price. The Company has also granted the Placing Agents a broker option pursuant to which an additional up to c.£5.9 million may be raised at the Issue Price subject to demand following the release of this Announcement (the "**Broker Option**"). The Broker Option may be exercised at any time by the Placing Agents prior to the release of the announcement of the results of the Fundraising by the Company.

In addition, all of the Directors other than John McGloin (the "**Participating Directors**") have conditionally subscribed with the Company or participated in the Placing for, in aggregate, 1,597,561 new Common Shares (the "**Director Participation Shares**") at the Issue Price, raising £127,805 for the Company (before expenses) (the "**Director Participations**").

In order to provide the Company's existing retail shareholders the opportunity to participate in the Fundraising, the Company also intends to carry out a separate retail offer to raise further gross proceeds of up to £3.0 million at the Issue Price via the BookBuild Platform (the "**Retail Offer**"). A separate announcement will be made shortly regarding the Retail Offer and its terms. The Retail Offer is expected to close on 31 January 2025. Accordingly, the final results of the Fundraising, including VBR's and NWF's final participation, will be confirmed and announced following the results of the Retail Offer.

Capitalised terms in the announcement which are not otherwise defined shall have the meaning as set out in Appendix II.

Highlights of the Fundraising:

The Fundraising will raise a minimum gross proceeds of approximately £56 million (before expenses) comprising:

- the NWF Subscription, raising up to £28.75 million (before expenses) through the issue of up to 359,375,000 NWF Subscription Shares (subject to scaleback) at the Issue Price;
- the VBR Subscription to raise up to £18,280,550 (before expenses), comprising: (i) the subscription by VBR at the Issue Price for such number of VBR Participation Right Shares as shall be required in order to maintain its percentage ownership interest (approximately 25.95 per cent.) in the Company following the Fundraising pursuant to its Participation Right; and (ii) the separate and additional subscription for the VBR Additional Subscription Shares (subject to scaleback);
- the Placing to raise c.£8.8 million (before expenses) at the Issue Price together with the Broker Option to accommodate any additional demand following the release of this announcement;
- the Director Participations to raise £127,805 (before expenses) through the issue of 1,597,561 Director Participation Shares at the Issue Price;
- the Retail Offer to raise up to £3.0 million (before expenses) through the issue of up to 37,500,000 new Common Shares (the "**Retail Offer Shares**") at the Issue Price. A further announcement will be made shortly in connection with the Retail Offer.
- The proceeds of the Fundraising will be principally used to ensure that the Company can continue with its path to development through competing the shaft refurbishment and de-watering process, the start of early project works, ordering long lead items and completion of the project finance process and up to the point of the formal final investment decision at its South Crofty Tin Mine.
- The Issue Price of 8p (converted into Canadian dollars at the Bank of Canada's closing exchange rate for January 24, 2025 of C 1.7873/£1) represents a discount of approximately 3.61 per cent. to the closing middle market price of 8.3 pence per Common Share on 27 January 2025, being the latest practicable date prior to the date and time of this Announcement, and a discount of approximately 1.39 per cent. to the closing price of C 0.145 per Common Share on 27 January 2025, being the last closing price of the Common Shares trading on the TSX Venture Exchange ("**TSX-V**") prior to the date and time of this Announcement.
- The Placing will be effected by way of an accelerated bookbuild process (the "**Bookbuild**"). The Placing Agents will commence the Bookbuild immediately following the release of this announcement and will be conducted in accordance with the terms of conditions set out in Appendix I to this announcement. The number of Placing Shares (including any new Common Shares to be issued pursuant to the Broker Option (the "**Broker Option Shares**") in the event there is excess demand which can be accommodated) will be determined at the end of the Bookbuild. A further announcement confirming closing of the Bookbuild and the number of Placing Shares to be issued pursuant to the Placing is expected to be made in due course.
- Any Broker Option Shares issued shall scale back both the NWF Subscription Shares and the VBR

any Broker Option Shares issued shall also be reduced by the NWF Subscription Shares and the VBR

Additional Subscription Shares on an equal basis as follows: for every 1 (one) Broker Option Share subscribed for; the number of NWF Subscription Shares shall be reduced by 0.5 (i.e. half a share) and the number of VBR Additional Subscription Shares shall be reduced by 0.5 (half a share) with the number of shares being subscribed for being rounded up in each case to a full share) provided that: (i) NWF shall invest a minimum of £25 million; and (ii) VBR shall, in accordance with its Participation Right, subscribe for at least such number of VBR Participation Right Shares as shall ensure it maintains its c. 25.95% ownership interest in the Company immediately following completion of the Fundraising. Given the results of the Retail Offer will only be announced following the results of the Placing (and any exercise of the Broker Option), the Company will confirm the final results of the Fundraising (including the number of NWF Subscription Shares and VBR Subscription Shares subscribed for once the results of the Retail Offer are confirmed.)

- The VBR Subscription, the Placing and the Director Participations are being undertaken in two tranches as the Company, at the date of this announcement, has insufficient authorities from its shareholders to issue all of the VBR Subscription Shares, Placing Shares and Director Participation Shares. Accordingly, the Company plans to utilise the share issuance authorities that it was granted at its annual general and special meeting held on June 4, 2024 to issue the First Tranche New Shares (being up to a maximum of 133,817,678 new common shares and comprising: (i) 34,722,222 of the VBR Subscription Shares, representing a portion of the VBR Participation Right Shares ("**First Tranche VBR Subscription Shares**"); (ii) 97,698,902 of the Placing Shares ("**First Tranche Placing Shares**"); and (iii) 1,396,554 of the Director Participation Shares ("**First Tranche Director Participation Shares**"). For further details regarding the Company's share issuance authorities, please refer to the Company's management information circular dated April 19, 2024 for the annual general and special meeting held on June 4, 2024, a copy of which is available on the Company's profile on SEDAR+ at www.sedarplus.ca.
- Any new Common Shares of the Company which are not issuable by the Company in the first tranche of the Fundraising pursuant to the Company's existing share issuance authorities shall be issued by the Company conditional upon the Company obtaining new share issuance authorities from shareholders at a special meeting of shareholders of the Company (the "**Special Meeting**") to be held on or about March 18, 2025. The Company has filed a notice of meeting and record date in respect of the Special Meeting, a copy of which is available on the Company's profile on SEDAR+ at www.sedarplus.ca.
- Subject to receipt of all necessary approvals, including approvals from the shareholders at the Special Meeting and the approval of the TSX-V, the Company expects to issue the remaining VBR Subscription Shares, representing the remaining portion of the VBR Participation Right Shares *plus* the VBR Additional Subscription Shares ("**Second Tranche VBR Subscription Shares**"); remaining Placing Shares ("**Second Tranche Placing Shares**"); remaining Director Participation Shares ("**Second Tranche Director Participation Shares**"); all of the Retail Offer Shares; and all of the NWF Subscription Shares (together the "**Second Tranche New Shares**") and expects such remaining shares to be admitted to trading on AIM and the TSX-V shortly after the Special Meeting.
- It is important to note that the First Tranche New Shares shall be issued on First Admission of those shares to trading on AIM, which, subject to TSXV Conditional Approval, is expected to occur at 8.00 a.m. on 06 February 2025 (or such later date as the Company and the Placing Agents may agree). **If the conditions to the issue of the Second Tranche New Shares are not subsequently satisfied (including the passing of the necessary shareholder resolutions at the Special Meeting, TSXV Conditional Approval and the NWF Subscription Agreement becoming unconditional in all respects), the Second Tranche New Shares will not be issued by the Company and neither the NWF Subscription nor the Retail Offer will proceed, notwithstanding the fact that the First Tranche New Shares will already be in issue. None of the NWF Subscription Shares nor the Retail Offer Shares will be issued in the first tranche of the Fundraising.**
- Neither the Placing, Director Participations nor the Retail Offer are underwritten.

The Placing is subject to the terms and conditions set out in Appendix I to this Announcement (which forms part of this Announcement).

Don Turvey, CEO of Cornish Metals, commented: "*We are very pleased to welcome NWF as a major shareholder in Cornish Metals and to lead this fundraise alongside Vision Blue, demonstrating support for the Company and our plans to bring tin mining back to Cornwall.*

Tin is a critical mineral that is essential for the energy transition and anything electronic. South Crofty is a

strategic asset with the ability to responsibly provide a secure, high grade long-term supply of tin, reviving Cornwall's rich mining history and contributing to the local economy and the UK's transition to net zero.

The Cornish Metals team has achieved many important milestones over the last couple of years as we rapidly advance South Crofty towards a restart of production. This financing will enable the Company to maintain this strong momentum and further unlock the project's potential by delivering crucial milestones expected in the coming year including the completion of mine dewatering and shaft refurbishment, the start of early project works, placing orders for long-lead items, and concluding the project finance process."

John Flint, CEO of NWF, commented: *"Critical minerals are not only an important driver of the UK's transition to net zero, but also of the UK's growth mission, providing opportunities to anchor important supply chains in the UK.*

This is our second investment in critical minerals in Cornwall, and indicative of our ability to mobilise private investment into local economies, creating skilled and long-term employment."

Rationale for the Fundraising

Subject to shareholder approval and the issue of the Second Tranche New Shares, the Fundraising will enable the Company to further de-risk the South Crofty Project and advance it towards a formal final investment decision by:

- bringing the South Crofty Project nearer to production by funding approximately £20m of the South Crofty Project's initial capital expenditure requirements;
- commencing early project works, including initial construction of the groundworks for the processing plant;
- placing orders for long-lead items of plant and equipment; and
- advancing detailed project engineering studies;

Use of proceeds

In addition to the Company's current cash balances (being £5.3 million as at 31 December 2024), the proceeds of the Fundraising will be allocated towards the following workstreams:

- £13.3 million for mining and related works and dewatering;
- £17.2 million for early works and long-lead items;
- £5.1 million for project engineering studies;
- £7.8 million for the repayment of the credit facility plus accrued interest provided by Vision Blue to the Company, details of which were announced on 15 October 2024;
- £12.6 million for South Crofty site costs, facilities and land purchase, financing fees associated with the Fundraising and corporate costs.

The Fundraising is expected to provide financial runway through to the end of Q1 2026 with project debt finance to be arranged before then and a final investment decision expected at that time.

The proceeds from the Retail Offer Shares issued and any Broker Option Shares issued in excess of the scale back of NWF and VBR will provide additional working capital to the Company.

The NWF Subscription

NWF is operationally independent but wholly-owned and backed by HM Treasury. It was launched in June 2021 as the UK Infrastructure Bank, transforming into the National Wealth Fund in October 2024. The Fund partners with the private sector and local government to increase investment in pursuit of two strategic objectives: tackling climate change and driving growth across the regions and nations of the United Kingdom. NWF's investments must achieve one or both of its strategic objectives, generate a positive financial return and demonstrate additionality - focusing where there is an undersupply of private sector financing and reducing barriers to investment - thereby mobilising private capital. NWF is based in Leeds and has £27.8bn of finance to deploy across the capital structure, including loans, credit enhancement, equity investments and guarantees.

NWF has entered into a conditional agreement with the Company dated 28 January, 2025 (the '**NWF Subscription Agreement**') pursuant to which it has agreed to subscribe for up to 359,375,000 NWF Subscription Shares at the Issue Price, raising a total of up to £28.75 million for the Company (and a minimum of £25 million).

The number of NWF Subscription Shares to be subscribed for will be scaled back by the number of Broker Option Shares issued (if any) subject to a minimum investment from NWF of £25 million. The scale back will affect the NWF Subscription Shares and the VBR Additional Subscription Shares on an equal basis such that every 1 (one) Broker Option Share issued will scale back the NWF Subscription Shares by 0.5 (i.e. half a share) and the VBR Additional Subscription Shares by 0.5 (half a share) (with the number of shares being subscribed for by each of NWF and VBR being rounded up to a full share).

Subject to receipt of all necessary approvals, including approvals from the shareholders at the Special Meeting and TSXV Conditional Approval, completion of the NWF Subscription shall occur on Second Admission. No NWF Subscription Shares will be issued on First Admission.

The NWF Subscription is subject to certain conditions, including, among other things:

- (a) receipt of the requisite shareholder approvals at the Special Meeting to approve the creation of NWF as a new "Control Person" of the Company within the meaning of applicable Canadian securities laws and the satisfaction of other customary closing conditions in the NWF Subscription Agreement;
- (b) all other resolutions being passed at the Special Meeting;
- (c) all necessary approvals from the TSXV in respect of the completion of all of the transactions contemplated by the Fundraising, which, for certainty, shall include the transactions contemplated by the NWF Subscription Agreement, VBR Subscription Agreement, the Placing Agreement and the Debt Set-Off Agreement, which approvals shall include, without limitation, Conditional Acceptance (within the meaning of Policy 4.1 of the TSXV Rules) and acceptance of the Debt Set-Off Agreement by the TSXV pursuant to Policy 4.3 of the TSXV Rules, and the fulfilment by the Company of all applicable conditions set forth in such Conditional Acceptance or acceptance, respectively, prior to the issuance of the New Shares, on the terms and conditions contemplated in the Fundraising and the listing of the New Shares on the TSXV ("**TSXV Conditional Approval**")
- (d) should, following the results of the Bookbuild, NWF hold over 25 per cent. of the Company's issued and outstanding Commons Shares (which shall be confirmed following the results of the Bookbuild), the Secretary of State confirming, inter alia, that no action will be taken under the UK National Security and Investment Act 2021 in relation to the NWF Subscription;
- (e) the Company having obtained title insurance in respect of its registered land, and for its unregistered land on commercially acceptable terms, with an indemnity limit of £28.75 million;
- (f) the Company having received irrevocable legally-binding commitments by all participants in the Fundraising raising gross proceeds of, in aggregate, at least £56 million (before expenses);
- (g) the Placing Agreement becoming unconditional in all respects save for Second Admission (and save for any condition therein relating to the NWF Subscription Agreement itself or the other transaction documents becoming unconditional) and not having been terminated;
- (h) the VBR Subscription Agreement and the Debt Set Off Agreement becoming unconditional in all respects save for Second Admission (and save for any condition relating to the NWF Subscription Agreement itself or the other transaction documents becoming unconditional) and to the extent they are not set off under the Debt Set Off Agreement, the subscription monies for the Second Tranche VBR Subscription Shares having been received by the Company (or on the Company's behalf by its solicitors);
- (i) the Director's Participation agreements becoming unconditional in all respects save for Second Admission (and save for any condition therein relating to the NWF Subscription Agreement itself or the other transaction documents becoming unconditional) and not having been terminated;
- (j) First Admission having occurred; and
- (k) admission of the Second Tranche New Shares (including the NWF Subscription Shares) taking place not later than 8.00 am on 24 March 2025 or such later date as is agreed in writing between the Company and NWF, but in any event not later than 8.00 am on 25 April 2025.

Application will also be made to the TSX-V to approve the issuance and listing of the NWF Subscription Shares.

The NWF Subscription Agreement contains representations and warranties from the Company in favour of NWF. The NWF Subscription Agreement may be terminated by NWF in certain circumstances prior to Second Admission, including circumstances where any of the representations and warranties are or could reasonably be expected to become untrue, inaccurate or misleading, the Placing Agreement is terminated or there has occurred, in NWF's opinion, any fact, matter, event, circumstance, condition or change occurring which materially and adversely affects the business, operations, assets, liabilities, condition (whether financial or

otherwise) of the Company and its affiliates (the "**Group**") or the South Crofty Project taken as a whole.

The NWF Subscription Agreement grants the following rights to NWF for so long as its shareholding and those of its affiliates in the Company is not less than 10 per cent. of the Company's issued and outstanding Shares:

- (a) NWF may nominate from time to time one person to the Company's board of directors and a further person as an observer at board meetings;
- (b) NWF will have a participation right to maintain its percentage ownership interest in the Company upon any offering of securities for cash; and
- (c) certain "demand registration" and "piggy back" registration rights for such time as the Company remains a reporting issuer in Canada, further details of which will be provided the management information circular in respect of the Special Meeting.

Cornish Metals' Board have also provided an undertaking to NWF that it shall use all reasonable but commercially prudent endeavours to effect a delisting of the share capital of the Company from the TSX-V and a re-domiciliation of the Company to England & Wales within 12 months following the conclusion of the Fundraising at Second Admission.

Relationship Agreement

In addition to the NWF Subscription Agreement, the Company, SP Angel and NWF, subject to Second Admission, will enter into the Relationship Agreement pursuant to which, for so long as the Company's shares remain admitted to trading on AIM and NWF holds at least 10 per cent. of the issued share capital of the Company, NWF has undertaken to the Company and (for as long as it remains nominated adviser to the Company) SP Angel, that it shall, and it shall procure that each of its associates shall, exercise the voting rights attaching to their Common Shares so that, *inter alia*:

- (a) the Group is capable at all times of carrying on business independently of NWF and its associates;
- (b) the Company shall be capable of being managed in accordance with the Corporate Governance Code published by the UK's Quoted Companies Alliance (the "QCA Code") and the applicable Canadian corporate governance provisions or any other corporate governance regime adopted by the board of directors from time to time;
- (c) all transactions or arrangements entered into between any member of the Group on the one hand and NWF and/or its associates on the other will be made at arm's length and on a normal commercial basis and in compliance with, and disclosed in accordance with, all applicable laws and regulations including the AIM Rules for Companies published by London Stock Exchange plc, as amended or reissued from time to time; and
- (d) there are and remain at all times a majority of directors who do not have a significant business, financial or commercial relationship with NWF on the Board and not less than two directors who are at the relevant time considered by the Board to be independent, as determined by reference to the QCA Code.

The Relationship Agreement will terminate on NWF, together with any of its associates, ceasing to hold an interest in 10 per cent. or more of the voting rights attaching to their Shares.

VBR's Subscription and the Vision Blue Debt Set Off Agreement

On May 24, 2022, the Company completed a £40,500,000 private placement offering of units (comprising shares and warrants) of the Company (the "**2022 Offering**"). In connection with the 2022 Offering, the Company and Vision Blue entered into an investment agreement dated 27 March 2022 (the "**VBR 2022 Investment Agreement**"), pursuant to which, among other things, for so long as Vision Blue holds not less than 10% of the Company's issued and outstanding common shares, Vision Blue has a participation right to maintain its percentage ownership interest in the Company upon any offering of securities at the issue price and similar terms as are applicable to such offering (the "**Participation Right**"). As at the date of this Announcement, Vision Blue's ownership interest in the common shares of the Company is currently approximately 25.95 per cent.

On October 15, 2024, the Company entered into a US 9.1 million (£7.0 million) secured credit facility (the "**Facility**") with Vision Blue to support the continued development of the South Crofty Project, with the proceeds of such Facility being used for the Company's general operating and corporate purposes.

In accordance with the terms of the VBR 2022 Investment Agreement, the Fundraising has permitted Vision Blue to exercise its Participation Right upon the terms and condition of the VBR 2022 Investment Agreement and Vision Blue has accordingly entered into the VBR Subscription Agreement pursuant to which it has

and Vision Blue has accordingly entered into the VBR Subscription Agreement pursuant to which it has conditionally agreed to subscribe for such number of VBR Participation Right Shares at the Issue Price as is required in order to maintain its percentage ownership interest in the Company following completion of the Fundraising (which is approximately 25.95 per cent. of the issued share capital of the Company). Separately from its Participation Right, Vision Blue has also conditionally agreed to subscribe for such further VBR Additional Subscription Shares which would be required in order for the VBR Subscription to raise, in aggregate, up to a maximum of £18,280,550 (before expenses) for the Company.

The number of VBR Additional Subscription Shares to be subscribed for will be scaled back by the number of Broker Option Shares issued (if any) subject to a minimum investment from VBR to maintain its percentage ownership interest in the Fundraising of c. 25.95 per cent. The scale back will affect the VBR Additional Subscription Shares and the NWF Subscription Shares on an equal basis such that every 1 (one) Broker Option Share issued will scale back the NWF Subscription Shares by 0.5 (i.e. half a share) and the VBR Additional Subscription Shares by 0.5 (half a share) (with the number of shares being subscribed for by VBR being rounded up to a full share).

In connection with the Participation Right, Vision Blue and the Company have also entered into a debt set-off deed dated 28 January 2025 (the "**Debt Set Off Agreement**"), pursuant to which the Company and Vision Blue have conditionally agreed to set off amounts owed by the Company to Vision Blue under the Facility against amounts due from Vision Blue to the Company in respect of the subscription of the VBR Participation Right Shares pursuant to the VBR 2022 Investment Agreement. The Debt Set-Off Agreement is treated as a "Shares for Debt" transaction under the policies of the TSX-V and is subject to the approval of the TSX-V. Application will be made to the TSX-V to approve the issuance and listing of the VBR Subscription Shares issuable to Vision Blue.

The VBR Subscription will take place in two tranches. The subscription by Vision Blue for the First Tranche VBR Subscription Shares is conditional upon (amongst other things):

- (a) the NWF Subscription Agreement not having been terminated and no event having arisen or occurred which would entitle any party thereto to terminate the NWF Subscription Agreement;
- (b) receipt of TSXV Conditional Approval;
- (c) the Debt Set-Off Agreement not having been terminated;
- (d) the Placing Agreement becoming unconditional in respect of the First Tranche Placing Shares save for First Admission (and save for any condition therein relating to the VBR Subscription Agreement itself or the other transaction documents becoming unconditional) and not having been terminated;
- (e) the Director's Participation agreements becoming unconditional in respect of the First Tranche Director Participation Shares save for First Admission (and save for any condition therein relating to the VBR Subscription Agreement itself or the other transaction documents becoming unconditional) and not having been terminated;
- (f) First Admission taking place not later than 8.00 am on 06 February 2025 or such later date as is agreed in writing between the Company and VBR, but in any event not later than 8.00 am on the First Admission Longstop Date.

The subscription by Vision Blue for the Second Tranche VBR Subscription Shares is conditional (amongst other things) upon:

- (a) First Admission having occurred;
- (b) the NWF Subscription Agreement becoming unconditional in all respects save for Second Admission (and save for any condition therein relating to the VBR Subscription Agreement itself or the other relevant transaction documents becoming unconditional) and no event having arisen or occurred which would entitle any party thereto to terminate the agreement;
- (c) the Placing Agreement becoming unconditional in unconditional in all respects save for Second Admission (and save for any condition therein relating to the VBR Subscription Agreement itself or the other transaction documents becoming unconditional) and not having been terminated;
- (d) the Director's Participation agreements becoming unconditional in all respects save for Second Admission (and save for any condition therein relating to the VBR Subscription Agreement itself or the other transaction documents becoming unconditional) and not having been terminated;
- (e) the Debt Set-Off Agreement not having been terminated;
- (f) all resolutions being passed at the Special Meeting;
- (g) TSXV Conditional Approval in respect of the Second Tranche New Shares; and

- (h) Second Admission taking place not later than 8.00 am on 24 March 2025 or such later date as is agreed in writing between the Company and VBR but in any event not later than 8.00 am on the Second Admission Longstop Date.

Vision Blue is deemed to be a "related party" of the Company pursuant to MI 61-101 given that it holds more than 10% of the Company's issued share capital. The "related party transaction" requirements under Policy 5.9 of the TSX-V and MI 61-101 do not apply to the Participation Right, since the subscription by Vision Blue of the VBR Participation Right Shares satisfies the exclusion from such requirements under Section 5.1(h)(iii) of MI 61-101. The subscription by Vision Blue of the VBR Additional Subscription Shares would constitute a "related party transaction" of the Company under MI 61-101 and the rules and policies of the TSX-V. Further details will be announced when the Bookbuild has closed.

Additional Information on the Placing

The Placing is expected to be completed in two tranches, with the first tranche utilising the Company's existing share issuance authorities most recently approved by the shareholders at the annual general and special meeting of the Company held on June 4, 2024. The Second Tranche Placing Shares, being those new common shares of the Company which are not issuable by the Company in the first tranche of the Placing pursuant to the Company's existing share issuance authorities, are expected to be issued by the Company conditional upon the Company obtaining new share issuance authorities from shareholders at the Special Meeting.

The Bookbuild will determine final demand for and participation in the Placing. The Bookbuild is expected to close not later than 12 p.m. (London time) 28 January 2025 but may be closed at such earlier or later time as the Joint Bookrunners, in their absolute discretion (following consultation with the Company), determine.

The final number of Placing Shares to be issued pursuant to the Placing will be determined by the Company and the Joint Bookrunners following closure of the Bookbuild. The Placing Shares will, subject to receipt by the Company in full of the consideration for such Placing Shares, when issued be fully paid and rank *pari passu* in all respects with the existing common shares in the capital of the Company, including, without limitation, as regards the right to receive all dividends and other distributions declared, made or paid after the date of issue.

Details of the result of the Placing will be announced as soon as practicable after closure of the Bookbuild. Attention is drawn to the detailed terms and conditions of the Placing described in Appendix I (which forms part of this Announcement). By choosing to participate in the Placing and by making an oral and legally binding offer to acquire Placing Shares, each Placee will be deemed to have read and understood this announcement in its entirety (including the Appendices) and to be making such offer to acquire and acquiring the Placing Shares on the terms and subject to the conditions set out in Appendix I to this announcement, and to be providing the representations, warranties, undertaking and acknowledgements contained in Appendix I to this announcement. Members of the public are not eligible to take part in the Placing and no public offering of Placing Shares is being or will be made.

The Broker Option and scale back

The Company has granted a Broker Option to the Placing Agents pursuant to the Placing Agreement in order to enable the Placing Agents to deal with any additional demand in the event that requests to participate in the Fundraising are received during the period from the date of the publication of this Announcement up until the release of the announcement confirming the close of the Bookbuild.

Any Broker Option Shares issued pursuant to the exercise of the Broker Option will be issued on the same terms and conditions as the Placing Shares, which are set out in Appendix II to this Announcement, and will comprise up to 74,223,526 new Shares.

The Broker Option may be exercised by one or more of the Placing Agents in their absolute discretion, but there is no obligation on a Placing Agent to exercise the Broker Option or to seek to procure subscribers for any Broker Option Shares from investors pursuant to the Broker Option.

Any Broker Option Shares issued will scale back the NWF Subscription Shares and the VBR Additional Subscription Shares on an equal footing as follows: for every 1 (one) Broker Option Share subscribed for; the number of NWF Subscription Shares shall be reduced by 0.5 (i.e. half a share) and the number of VBR Additional Subscription Shares shall be reduced by 0.5 (half a share) (with the number of shares being subscribed for being rounded up in each case to a full share) provided that: (i) NWF shall invest a minimum of £25 million; and (ii) VBR shall, in accordance with its Participation Right, subscribe for at least such number of VBR Subscription Shares as shall ensure it maintains its c. 25.95% ownership interest in the Company

immediately following the Fundraising on Second Admission.

Given the results of the Retail Offer will only be announced following the results of the Placing (and any exercise of the Broker Option), the Company will confirm the final results of the Fundraising (including the number of NWF Subscription Shares and VBR Subscription Shares subscribed for once the results of the Retail Offer are confirmed.)

UK Product Governance Requirements

Solely for the purposes of the Product Governance requirements contained within Chapter 3 of the FCA Handbook Product

*Intervention and Product Governance Sourcebook (the **UK Product Governance Requirements**) and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of (a) retail investors, (b) investors who meet the criteria of professional clients and (c) eligible counterparties, each as defined in the FCA Handbook Conduct of Business Sourcebook; and (ii) eligible for distribution through all distribution channels as are permitted by UK Product Governance Requirements (the **UK Target Market Assessment**). Notwithstanding the UK Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.*

The UK Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the UK Target Market Assessment, the Placing Agents will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the UK Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A, respectively, of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to, the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

EU Product Governance Requirements

*Solely for the purposes of the product governance requirements contained within (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"), (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II and (c) local implementing measures (together the **EU Product Governance Requirements**) and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the EU Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of (a) retail investors, (b) investors who meet the criteria of professional clients and (c) eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by EU Product Governance Requirements (the "**EU Target Market Assessment**"). Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.*

The EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the EU Target Market Assessment, the Placing Agents will only procure investors who meet the criteria of professional clients and eligible counterparties.

2. Details of the Placing Agreement and the Placing Shares

The Joint Bookrunners are acting as joint bookrunners in connection with the Placing and Canaccord Genuity are acting as Co-Manager and have entered into the Placing Agreement with the Company under which, on the terms and subject to the conditions set out in the Placing Agreement, the Joint Bookrunners and the Co-Manager, as agents for and on behalf of the Company, have agreed to use their respective reasonable endeavours to procure places for the Placing Shares. The Placing is not being underwritten by the Placing Agents or any other person nor is any part of the Placing subject to clawback from the Retail Offer.

The price per Share at which the Placing Shares are to be placed is 8 pence (the '**Issue Price**'). The timing of the closing of the book and allocations are at the discretion of the Company and the Joint Bookrunners. Details of the total number of Placing Shares will be announced as soon as practicable after the close of the Bookbuild via the Results Announcement.

The Placing Shares will be allotted and issued in two tranches:

- the first tranche will be up to a maximum of 97,698,902 First Tranche Placing Shares utilising the Company's existing share issuance authorities and shall be allocated on a pro rata basis with the other First Tranche New Shares; and
- the Second Tranche Placing Shares, being the balance of the Placing Shares not issuable in the First Admission will be allotted and issued conditional upon (*inter alia*) approval of the Resolutions at a Special Meeting.

The Placing Shares have been, or will be duly authorised and will, when issued by the Company, subject to receipt by the Company in full of the consideration for such Placing Shares, be credited as fully paid and non-assessable and will be issued subject to the articles and by-laws of the Company and rank *pari passu* in

all respects with the existing Shares, including the right to receive all dividends and other distributions declared, made or paid on or in respect of the Shares after the date of issue of the Placing Shares, and will on issue be free of all pre-emption rights, claims, liens, charges, encumbrances and equities other than applicable restrictions on transfer or resale imposed by applicable securities laws, including the TSXV Rules.

In addition to the Placing, the Company is seeking to raise additional funds through the NWF Subscription, the VBR Subscription, the Director Participations and the Retail Offer. Cavendish will be acting as coordinator of the Retail Offer ("**Retail Offer Coordinator**").

3. Application for listing and admission to trading of the Placing Shares

Applications will be made to the London Stock Exchange for First Admission of the First Tranche New Shares to trading on AIM and for Second Admission of the Second Tranche New Shares

It is expected that:

- First Admission will occur at 8.00 a.m. on 06 February 2025 (or such later time or date as the Joint Bookrunners may agree with the Company, being no later than 8.00 a.m. on 28 February 2025) and that dealings in the First Tranche New Shares will commence at that time;
- Second Admission will occur on or about at 8.00 a.m. on 24 March 2025 (or such later time or date as the Joint Bookrunners may agree with the Company, being no later than 8.00 a.m. on 25 April 2025) and that dealings in the Second Tranche New Shares will commence at that time.

4. Details of the Broker Option

The Company has granted the Broker Option to the Placing Agents in order to enable them to deal with any additional demand under the Placing from Relevant Persons in the event that requests to participate in the Placing are received during the period from the publication of this Announcement to immediately prior to the release of the Results Announcement. The primary purpose of the Broker Option is to facilitate demand from those Relevant Persons who were unable to participate in the Placing. The Broker Option is exercisable by the Placing Agents, in their absolute discretion.

Relevant Persons who wish to register their interest in subscribing for Broker Option Shares should instruct their stockbroker or independent financial adviser to communicate their interest to the Placing Agents. Each bid should state the number of Broker Option Shares that the investor wishes to acquire at the Issue Price. Any investors allocated Broker Option Shares will be considered Placees, as defined in this Announcement.

Any Broker Option Shares issued will scale back the NWF Subscription Shares and the VBR Additional Subscription Shares on an equal footing as follows: for every 1 (one) Broker Option Share subscribed for; the number of NWF Subscription Shares shall be reduced by 0.5 (i.e. half a share) and the number of VBR Additional Subscription Shares shall be reduced by 0.5 (half a share) (with the number of shares being subscribed for being rounded up in each case to a full share) provided that: (i) NWF shall invest a minimum of £25 million; and (ii) VBR shall, in accordance with its Participation Right, subscribe for at least such number of VBR Subscription Shares as shall ensure it maintains its c. 25.95% ownership interest in the Company following the Fundraising.

To the extent the Broker Option is exercised, the Broker Option Shares will be issued on the same terms and conditions as the Placing Shares (and shall form part of the Placing Shares), which terms are set out in this Appendix. Orders from investors pursuant to the Broker Option to the Placing Agents will only be accepted from Relevant Persons.

The Broker Option may be exercised by the Placing Agents in their absolute discretion, but there is no obligation on them to exercise the Broker Option or to seek to procure subscribers for any Broker Option Shares pursuant to the Broker Option.

The maximum number of Broker Option Shares which may be issued pursuant to the exercise of the Broker Option is 74,223,526 new Shares.

5. Bookbuild

Following this announcement, the Placing Agents will commence the accelerated bookbuilding process to determine demand for participation in the Placing by Placees (the "**Bookbuild**"). This Announcement gives details of the terms and conditions of, and the mechanics of participation in, the Placing. No commissions will be paid to Placees or by Placees in respect of any Placing Shares.

The Placing Agents and the Company shall be entitled to effect the Placing by such alternative method to the Bookbuild as they may, in their sole discretion, determine.

6. Participation in, and principal terms of, the Placing

1. SP Angel and Hannam & Partners are arranging the Placing as joint bookrunners and Canaccord as co-manager, on behalf of the Company.
2. Participation in the Placing will only be available to persons who may lawfully be, and are, invited to participate by any of the Placing Agents without requiring the filing of a prospectus or registration statement or delivering an offering memorandum or similar disclosure document under all applicable securities laws. Each of the Placing Agents may itself agree to be a Placee in respect of all or some of the Placing Shares or may nominate any member of its group to do so.
3. The Bookbuild, if successful, will establish the aggregate amount payable to the Placing Agents, as settlement agents for the Company, by all Placees whose bids are successful. The number of Placing Shares will be agreed by the Joint Bookrunners (in consultation with the Company) following completion of the Bookbuild. The number of Placing Shares to be issued (in aggregate) will be announced on an RIS following the completion of the Bookbuild via the Results Announcement.
4. To bid in the Bookbuild, prospective Placees should communicate their bid orally by telephone or in writing to the relevant Placing Agent. Each bid should state the number of Placing Shares up to which the prospective Placee wishes to subscribe for at the Issue Price. A bid in the Bookbuild will be made on the terms and subject to the conditions in this Appendix I and shall constitute a legally binding offer from the Placee on behalf of which it is made. Such offer will not be capable of variation or revocation after the time at which it is submitted, except with the relevant Placing Agent's consent. Bids may be scaled down by the Joint Bookrunners on the basis referred to in paragraph 6 below. The Placing Agents reserve the right not to accept bids or to accept bids in part rather than in whole without further consultation with the prospective Placees. The acceptance of the bids shall be at the Placing Agents's absolute discretion, subject to agreement with the Company.
5. The Bookbuild is expected to close no later than 12.00 p.m. on 28 January 2025 but may be closed earlier or later at the discretion of the Joint Bookrunners. The Placing Agents may, in agreement with the Company, accept bids that are received after the Bookbuild has closed. The Company reserves the right (upon the prior agreement of the Joint Bookrunners) to reduce the number of shares to be issued pursuant to the Placing, in its absolute discretion.
6. Allocations of the Placing Shares will be determined by the Joint Bookrunners after consultation with the Company (and in accordance with the relevant Joint Bookrunner's allocation policy as has been supplied by each Joint Bookrunner to the Company in advance of such consultation). Allocations will be confirmed orally by the relevant Placing Agents to the Placee and a Form of Confirmation will be despatched as soon as possible thereafter. The Placing Agent's oral confirmation to such Placee shall trigger the obligation for such person (who will at that point become a Placee) to subscribe for the number of Placing Shares allocated to it and to pay the Issue Price in respect of each such share on the terms and conditions set out in this Appendix I and in accordance with the Company's articles and by-laws.
7. Each Placee's allocation and commitment will be evidenced by a Form of Confirmation issued to such Placee. The terms of this Appendix I will be deemed incorporated in that Form of Confirmation.
8. Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares to be subscribed/purchased for pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and Settlement".
9. All obligations under the Bookbuild and the Placing will be subject to fulfilment or (where applicable) waiver of the conditions referred to below under "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Right to terminate under the Placing Agreement" prior to First Admission in respect of the First Tranche Placing Shares and prior to Second Admission in respect of the Second Tranche Placing Shares.
10. By participating in the Placing, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission

Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.

11. To the fullest extent permissible by law, none of the Placing Agents, the Company nor any of their respective affiliates, agents, directors, officers, representatives or employees shall have any responsibility or liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise). In particular, none of the Placing Agents, the Company, nor any of their respective affiliates, agents, directors, officers representatives or employees shall have any responsibility or liability (including to the extent permissible by law, any fiduciary duties) in respect of each Placing Agent's conduct of the Placing.
12. The Placing Shares will be issued subject to the terms and conditions of this Announcement and each Placee's commitment to subscribe for Placing Shares on the terms set out herein will continue notwithstanding any amendment that may in future be made to the terms and conditions of the Placing and Placees will have no right to be consulted or require that their consent be obtained with respect to the Company's or the Placing Agents's conduct of the Placing.
13. All times and dates in this Announcement may be subject to amendment. The Placing Agents shall notify the Placees and any person acting on behalf of the Placees of any changes.
14. Each potential Placee: (i) who is located or resident in Canada, must qualify as an "accredited investor" (as such term is defined in section 1.1 of National Instrument 45-106 - *Prospectus Exemptions*); or (ii) is an eligible purchaser satisfying the requirements of BC Instrument 72-503 - *Distribution of Securities Outside British Columbia*.

7. Conditions of the Placing

The Placing and each of the First Admission and Second Admission is conditional, amongst others, upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

The obligations of the Placing Agents under the Placing Agreement in respect of the First Tranche Placing Shares are conditional on customary conditions, including (amongst others) (the "**First Conditions**"):

1. the Company having complied with its obligations which fall to be performed on or prior to First Admission under the Placing Agreement;
2. the aggregate subscription monies in respect of the First Tranche Director Participation Shares received by the Company prior to First Admission;
3. NWF having entered into a legally binding NWF Subscription Agreement with the Company and such agreement not having been terminated;
4. VBR having entered into a legally binding VBR Subscription Agreement with the Company, with the conditions to the VBR Subscription Agreement relating to the First Tranche VBR Subscription Shares (other than First Admission and conditions relating to other transaction documents becoming unconditional) having been met or waived and the Debt Set Off Agreement being entered into such that the aggregate subscription monies in respect of the First Tranche VBR Subscription Shares relating to the VBR Subscription will be set off in accordance with the terms of the Debt Set Off Agreement on First Admission;
5. the Company allotting the First Tranche New Shares, subject only to First Admission;
6. receipt of TSXV Conditional Approval in respect of the First Tranche New Shares prior to First Admission;
7. in the opinion of the Placing Agents, the warranties given by the Company contained in the Placing Agreement being true, accurate and not misleading at the date of the Placing Agreement, and immediately before First Admission;
8. in the opinion of the Placing Agents (acting in good faith), there having been no development or event resulting in a Material Adverse Effect;
9. none of the Placing Agents having terminated the Placing Agreement; and
10. First Admission occurring no later than 8.00 a.m. on 06 February 2025 (or such later time or date

as the Joint Bookrunners may otherwise agree with the Company, being no later than 8.00 a.m. on the First Admission Longstop Date).

The obligations of the Placing Agents under the Placing Agreement in respect of the Second Tranche Placing Shares are conditional on customary conditions, including (amongst others) (the "**Second Conditions**", together with the First Conditions, the "**Conditions**");

1. First Admission having occurred;
2. the NWF Subscription Agreement having become unconditional in accordance with its terms (save for any condition therein relating to the other transaction documents becoming unconditional and Second Admission);
3. the VBR Subscription Agreement not having been terminated, with all conditions to the VBR Subscription Agreement (other than Second Admission and any conditions therein relating to the other transaction documents becoming unconditional) having been met or waived and Debt Set Off Agreement being entered into such that the aggregate subscription monies in respect of the Second Tranche VBR Subscription Shares will in part be set off in accordance with the terms of the Debt Set-Off Agreement on Second Admission with the balance received by the Company (or on its behalf) prior to Second Admission;
4. the Resolutions being passed at the Special Meeting;
5. the Company having complied with its obligations which fall to be performed on or prior to the Second Admission under the Placing Agreement;
6. the aggregate subscription monies in respect of the Second Tranche Director Participation Shares having been received by the Company prior to Second Admission;
7. the Company allotting the Second Tranche New Shares subject only to Second Admission;
8. receipt of TSXV Conditional Approval for the Second Tranche New Shares prior to the Second Admission;
9. in the opinion of the Placing Agents, the warranties given by the Company contained in the Placing Agreement being true, accurate and not misleading at all times up to and immediately before the Second Admission;

11. none of the Placing Agents having terminated the Placing Agreement in accordance with its terms and conditions prior to Second Admission; and
12. Second Admission occurring not later than 8.00 a.m. on 24 March 2025 (or such later time or date as the Joint Bookrunners may otherwise agree with the Company, being no later than 8.00 a.m. on the Second Admission Longstop Date).

Completion of the Placing is not subject to any minimum fundraising under the Retail Offer being achieved. Completion of Second Admission is conditional upon the completion of First Admission. However, termination or withdrawal of the Placing (by termination of the Placing Agreement) will equally result in termination of the Retail Offer.

IF THE CONDITIONS TO THE ISSUE OF THE SECOND TRANCHE PLACING SHARES ARE NOT SUBSEQUENTLY SATISFIED (INCLUDING THE PASSING OF THE NECESSARY SHAREHOLDER RESOLUTIONS AT THE SPECIAL MEETING AND TSXV CONDITIONAL APPROVAL AND THE NWF SUBSCRIPTION AGREEMENT BECOMING UNCONDITIONAL IN ALL RESPECTS), THE SECOND TRANCHE PLACING SHARES WILL NOT BE ISSUED BY THE COMPANY AND NEITHER THE NWF SUBSCRIPTION NOR THE RETAIL OFFER WILL PROCEED, NOTWITHSTANDING THE FACT THAT THE FIRST TRANCHE PLACING SHARES WILL ALREADY BE IN ISSUE.

If, in respect of either First Admission or Second Admission: (i) any of the conditions relating to that tranche contained in the Placing Agreement, including (without limitation) those described above, are not fulfilled or (where applicable) waived by the Placing Agents by the relevant time or date specified (or such later time or date as the Company and the Placing Agents may agree, being not later than 8.00 am on First Admission Longstop Date or Second Admission Longstop Date as applicable date); or (ii) the Placing Agreement is terminated in the circumstances specified below under "Right to terminate under the Placing Agreement". that tranche of the Placing. in respect of the First Tranche Placing Shares and/or

Placing Agreement, that tranche of the Placing, in respect of the First Tranche Placing Shares only, or Second Tranche Placing Shares, will lapse and the Placees' rights and obligations hereunder in relation to that tranche of Placing Shares as applicable shall cease and terminate at such time and each Placee agrees that no claim can be made by it in respect thereof. If the Placing Agreement is terminated after the First Admission but prior to Second Admission, such termination shall be without prejudice to the First Admission.

The Placing Agents may, jointly, at their discretion and upon such terms as they think fit, waive compliance by the Company with the whole or any part of any of their obligations in relation to the Conditions or extend the time or date provided for fulfilment of any such Conditions in respect of all or any part of the performance thereof, save in respect of any condition relating to First Admission, Second Admission, TSXV Conditional Approval or the passing of the Resolutions. Any such extension or waiver will not affect Placees' commitments as set out in this Appendix I.

If: (i) any of the Conditions are not fulfilled or (where permitted) waived by Placing Agents by the relevant time or date specified (or such later time or date as Placing Agents may agree with the Company, being no later than the First Admission Longstop Date in respect of the First Tranche Placing Shares or the Second Admission Longstop Date in respect of the Second Tranche Placing Shares); or (ii) the Placing Agreement is terminated in the circumstances specified below under "Right to terminate under the Placing Agreement" prior to First Admission, the Placing will not proceed and the Placees' rights and obligations hereunder in relation to the Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by it or on its behalf (or any person on whose behalf the Placee is acting) in respect thereof; or (iii) the Placing Agreement is terminated in the circumstances specified below under "Right to terminate under the Placing Agreement" prior to Second Admission but after First Admission, the Placing will not proceed in respect of the Second Tranche Placing Shares and the Placees' rights and obligations hereunder in relation to the Second Tranche Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by it or on its behalf (or any person on whose behalf the Placee is acting) in respect thereof, such termination shall be without prejudice to the First Admission.

For the avoidance of doubt, termination or withdrawal of the Retail Offer shall not impact or prejudice the Placing. However, termination or withdrawal of the Placing (by termination of the Placing Agreement) will equally result in termination of the Retail Offer.

None of the Placing Agents or the Company, or any of their respective affiliates, agents, directors, officers or employees shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision they may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any Condition to the Placing, nor for any decision they may make as to the satisfaction of any Condition or in respect of the Placing generally, and by participating in the Placing each Placee agrees that any such decision is within the absolute discretion of Placing Agents.

8. Right to terminate under the Placing Agreement

Any of the Placing Agents are entitled, at any time before Admission, to terminate the Placing Agreement in accordance with its terms in certain circumstances, including (amongst other things):

1. where, in the opinion of the Placing Agents acting honestly and reasonably, the Company has breached or cannot in any respect comply with any of its material obligations under the Placing Agreement;
2. where, in the opinion of the Placing Agents acting honestly and reasonably, there has been or reasonably could be, a breach of any of the warranties contained in the Placing Agreement;
3. where, in the opinion of the Placing Agents acting honestly and reasonably, any statement contained in any Placing Document is or has become materially untrue, incorrect or misleading, or any matter has arisen, which would, if the Placing were made and/or Admission became effective at that time, constitute a material omission from any of the Placing Documents; and
4. where, in the opinion of the Placing Agents acting honestly and reasonably, there has been a development or event resulting in a Material Adverse Effect.

If the Placing Agreement is terminated after the First Admission, but prior to Second Admission, such

termination shall be without prejudice to the First Admission.

Upon termination, the parties to the Placing Agreement shall be released and discharged (except for any liability arising before or in relation to such termination) from their respective obligations under or pursuant to the Placing Agreement, subject to certain exceptions.

By participating in the Placing, each Placee agrees with the Company and the Placing Agents that (i) the exercise by the Placing Agents of any right of termination or of any other discretion under the Placing Agreement shall be within the absolute discretion of the Placing Agents and that they need not make any reference to, or consult with, Placees and that they (nor any of them) shall have no liability to Placees whatsoever in connection with any such exercise or failure to so exercise and (ii) its rights and obligations terminate only in the circumstances described above under "Right to terminate under the Placing Agreement" and "Conditions of the Placing", and its participation will not be capable of rescission or termination by it after oral confirmation by the Placing Agents of the allocation and commitments following the close of the Bookbuild.

9. Registration and Settlement

Settlement of transactions in the Placing Shares (ISIN: CA21948L1040) following Admission will take place within the system administered by Euroclear UK & International Limited ("CREST"), subject to certain exceptions. The Placing Agents reserve the right to require settlement for, and delivery of, the Placing Shares (or any part thereof) to Placees by such other means that they may deem necessary if delivery or settlement is not possible or practicable within the CREST system or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

The Placing Agents are acting as settlement banks. Following the close of the Bookbuild, each Placee to be allocated Placing Shares in the Placing will be sent a Form of Confirmation stating the number of Placing Shares allocated to them at the Issue Price, the aggregate amount owed by such Placee to a Placing Agent and settlement instructions. Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with the standing CREST or certificated settlement instructions in respect of the Placing Shares that it has in place with a Placing Agent.

The Company will deliver (or will procure the delivery of) the Placing Shares to CREST accounts operated by the Placing Agents as agents for the Company and the Placing Agents will each enter its respective delivery instruction into the CREST system. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant Placing Shares to that Placee against payment.

It is expected that settlement:

- in respect of the First Tranche Placing Shares will take place at 8 a.m. on or about 06 February 2025; and
- the Second Tranche Placing Shares will take place at 8 a.m. on or about 24 March 2025,

on a delivery versus payment basis.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above the prevailing Sterling Overnight Index Average (SONIA) as determined by the Placing Agents.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Placing Agents may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, from the Placing Agent's account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and will be required to bear any stamp duty or stamp duty reserve tax or other taxes or duties (together with any interest or penalties) imposed in any jurisdiction which may arise upon the sale of such Placing Shares on such Placee's behalf.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the Form of Confirmation is copied and delivered immediately to the relevant person within that organisation. Insofar as Placing Shares are issued in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or

stamp duty reserve tax. If there are any circumstances in which any stamp duty or stamp duty reserve tax or other similar taxes or duties (including any interest and penalties relating thereto) is payable in respect of the allocation, allotment, issue, sale, transfer or delivery of the Placing Shares (or, for the avoidance of doubt, if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer of or agreement to transfer Placing Shares), neither the Placing Agents or the Company shall be responsible for payment thereof.

10. No Prospectus

The Placing Shares are being offered to a limited number of specifically invited persons only and will not be offered in such a way as to require any prospectus or other offering document to be published. By participating in the Placing, each Placee (and any person acting on such Placee's behalf) agrees to indemnify on an after tax basis and hold the Company, the Placing Agents and their respective affiliates,

agents, directors, officers, representatives and employees harmless from any and all costs, claims, liabilities and expenses (including legal fees and expenses) arising out of or in connection with any breach of the representations, warranties, acknowledgements, agreements and undertakings given by the Placee (and any person acting on such Placee's behalf) in this Appendix I or incurred by the Placing Agents, the Company or any of their respective affiliates, agents, directors, officers or employees arising from the performance of the Placees' obligations as set out in this Announcement, and further agrees that the provisions of this Appendix I shall survive after completion of the Placing.

Where any Placee is acting in its capacity as a discretionary investment manager on behalf of its underlying clients, then it is the discretionary investment manager that is to be regarded as the Placee for the purpose of this Announcement and not the underlying client. For the avoidance of doubt, the representations and warranties given are to be taken as made on behalf of the Placee itself and not their underlying client.

12. Taxation

The agreement to allot and issue certain of the Placing Shares by the Company to Placees (and/or to persons for whom such Placee is contracting as agent) free of stamp duty and stamp duty reserve tax relates only to their allotment and issue to Placees, or such persons as they nominate as their agents, direct from the Company for the Placing Shares in question.

There should be no liability to stamp duty or SDRT arising on the allotment of the Placing Shares by the Company. The registration of and the issue of definitive share certificates to Shareholders should not give rise to any liability to stamp duty or SDRT.

In addition, neither UK stamp duty nor SDRT should arise on the transfers/sale of Shares on AIM (including instruments transferring Shares and agreements to transfer Shares).

Such agreement also assumes that the Placing Shares are not being acquired in connection with arrangements to issue depositary receipts or to issue or transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement relates to any other dealing in the Placing Shares, stamp duty or stamp duty reserve tax or other similar taxes or duties may be payable, for which neither the Company nor the Placing Agents will be responsible and the Placees shall indemnify the Company and the Placing Agents on an after-tax basis for any stamp duty or stamp duty reserve tax or other similar taxes or duties (together with interest, fines and penalties) in any jurisdiction paid by the Company or the Placing Agents in respect of any such arrangements or dealings. If this is the case, each Placee should seek its own advice and notify the Placing Agents accordingly. Placees are advised to consult with their own advisers regarding the tax aspects of the subscription for Placing Shares.

The Company and the Placing Agents are not liable to bear any taxes that arise on a sale of Placing Shares subsequent to their acquisition by Placees, including any taxes arising otherwise than under the laws of any country in the EEA. Each prospective Placee should, therefore, take its own advice as to whether any such tax liability arises and notify their Placing Agent and the Company accordingly. Furthermore, each prospective Placee agrees to indemnify on an after-tax basis and hold the Placing Agent and/or the Company and their respective affiliates harmless from any and all interest, fines or penalties in relation to stamp duty, stamp duty reserve tax and all other similar duties or taxes in any jurisdiction to the extent that such interest, fines or penalties arise from the unreasonable default or delay of that Placee or its agent.

In addition, Placees should note that they will be liable for any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating thereto) payable, whether inside or outside the UK, by them or any other person on the subscription, acquisition, transfer or sale by them of any Placing Shares or the agreement by them to subscribe for, acquire, transfer or sell any Placing Shares.

No statement in the Placing Documents is intended to be a profit forecast or estimate, and no statement in the Placing Documents should be interpreted to mean that earnings per share of the Company for the current or future financial years would necessarily match or exceed the historical published earnings per share of the Company. Past performance is no guide to future performance and persons needing advice should consult an independent financial adviser.

The price of shares and any income expected from them may go down as well as up and investors may not get back the full amount invested upon disposal of the shares. Past performance is no guide to future performance, and persons needing advice should consult an independent financial adviser.

The New Shares to be issued pursuant to the Placing will not be admitted to trading on any stock exchange other than AIM and the TSX Venture Exchange Market.
