28 January 2025

Cornish Metals Inc
(AIM/TSX-V: CUSN) ("**Cornish Metals**" or the "**Company**")
Result of Fundraising

Cornish Metals Inc, the mineral exploration and development company focused on its 100% owned and permitted South Crofty tin project in Cornwall, United Kingdom, is pleased to announce that, further to the announcement made at 7:42am on 28 January 2025 (the "**Launch Announcement**"), it has successfully concluded the Placing to raise gross proceeds of approximately £56 million (before expenses) through the conditional subscription of an aggregate 700,000,000 new common shares of no par value each in the Company (the "**Placing Shares**") at a price of 8 pence per Placing Share (the "**Issue Price**").

The Placing Shares of 115,448,000 new common shares include 4,927,434 new common shares issued pursuant to the Broker Option which was exercised by the Placing Agents.

Hannam & Partners and SP Angel acted as joint bookrunners in connection with the Placing with Canaccord Genuity acting as co-manager.

Separate announcements of the launch and result of the Retail Offer will be made in due course. The result of the Retail Offer will also confirm the final aggregate results of the Fundraising.

Capitalised terms in this announcement have the same meaning as in the Launch Announcement unless otherwise indicated.

Don Turvey, CEO of Cornish Metals, commented *"We are delighted to announce the successful completion of this well supported fundraising. We are grateful for the continued support of our existing shareholders, including Vision Blue, and we are pleased to welcome the UK's National Wealth Fund and other new investors as shareholders in the Company. Having achieved numerous important milestones in the last year, including the progress of mine dewatering and shaft refurbishment, as well as completion of a robust Preliminary Economic Assessment, this financing enables the Company to maintain the strong momentum as we continue to progress towards a restart of tin production at South Crofty."*

Participation by the Participating Directors in the Fundraising constitutes a Related Party Transaction pursuant to Rule 13 of the AIM Rules for Companies. The Independent Director, being John McGloin, having consulted with SP Angel Corporate Finance LLP, the Company's nominated adviser, considers that the participation by the Participating Directors is fair and reasonable in so far as shareholders are concerned.

Participation by the Participating Directors also constitutes a "related party transaction" within the meaning of Policy 5.9 of the rules and policies of the TSX-V and Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("MI 61-101").

Vision Blue Resources Limited ("**VBR**"), the Company's strategic investor and substantial shareholder, as defined by the AIM Rules for Companies, has exercised its Participation Right pursuant to the VBR 2022 Investment Agreement entered into with the Company on March 27, 2022. The Company and VBR have entered into the Debt Set Off Agreement whereby they have conditionally agreed to set off amounts owed by the Company to Vision Blue under the Facility against amounts due from Vision Blue to the Company in respect of the subscription of the VBR Participation Right Shares pursuant to the VBR 2022 Investment Agreement.

For further details of the Debt Set Off Agreement, please refer to the Launch Announcement.

Participation by VBR in the Fundraise constitutes a Related Party Transaction pursuant to Rule 13 of the AIM Rules for Companies. The Independent Directors, being in the case of the VBR Subscription, all directors of the Company other than Tony Trahar, having consulted with SP Angel Corporate Finance LLP, the Company's nominated adviser, consider that the VBR Subscription is fair and reasonable in so far as shareholders are concerned. Tony Trahar is the VBR nominated director on the board of the Company.

Vision Blue is also deemed to be a "related party" of the Company pursuant to MI 61-101 given that it holds more than 10% of the Company's issued share capital. The "related party transaction" requirements under Policy 5.9 of the TSX-V and MI 61-101 do not apply to the Participation Right, since the subscription by Vision Blue of the VBR Participation Right Shares satisfies the exclusion from such requirements under Section 5.1(h) (iii) of MI 61-101. The subscription by Vision Blue of the VBR Additional Subscription Shares would constitute a "related party transaction" of the Company under MI 61-101 and the rules and policies of the TSX-V.
