

30 January 2025

Triple Point Venture VCT plc
(the "Company")
Venture Share Class Net Asset Value

The Company announces that the unaudited NAV per Venture Share as at 31 December 2024 was 96.11 pence per share (as at 31 August 2024 the audited NAV was 97.61 pence per share).

The decrease in the NAV is as a result of a 2 pence per share dividend paid to shareholders in December 2024 and general running expenses of the Company, which have been partly offset by a net uplift to portfolio valuations.
