Burford Capital Limited ("Burford"), the leading global finance and asset management firm focused on law, provides the following notifications of transactions by persons discharging managerial responsibilities (each, a "PDMR").

Pursuant to the previously announced written executive share liquidity plans (the "Plans") for each PDMR, which were further explained in Burford's report on Form 6-K furnished to the US Securities and Exchange Commission on August 8, 2024, on January 28, 2025, Merrill Lynch sold on behalf of Chief Executive Officer Christopher Bogart, Chief Investment Officer Jonathan Molot, President Aviva Will and Vice Chair David Perla in aggregate 190,500 Burford's ordinary shares of nil par value ("Shares"). The timing and execution of the sales are managed by Merrill Lynch according to pre-set parameters set forth in the Plans. The breakdown of these sales of Shares is as follows: 90,000 Shares by Mr Bogart, 90,000 Shares by Mr Molot, 7,500 Shares by Ms Will and 3,000 Shares by Mr Perla.

The Plans are intended to satisfy the affirmative defense conditions of Rule 10b5-1(c) of the US Securities Exchange Act of 1934, as amended, and to comply with Article 19 of the Market Abuse Regulation (EU) 596/2014 as it forms part of domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018, as amended.

The Notification of Dealing Forms for the transactions set forth above are included at the end of this announcement.

#### **Forward-looking statements**

This announcement contains "forward-looking statements" within the meaning of Section 21E of the US Securities Exchange Act of 1934, as amended, regarding assumptions, expectations, projections, intentions and beliefs about future events. These statements are intended as "forward-looking statements". In some cases, predictive, future-tense or forward-looking words such as "aim", "anticipate", "believe", "continue", "could", "estimate", "expect", "forecast", "guidance", "intend", "may", "plan", "potential", "predict", "projected", "should" or "will" or the negative of such terms or other comparable terminology are intended to identify forward-looking statements, but are not the exclusive means of identifying such statements. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors because they relate to events and depend on circumstances that may or may not occur in the future. Burford cautions that forward-looking statements are not guarantees of future performance and are based on numerous assumptions, expectations, projections, intentions and beliefs and that Burford's actual results of operations, including its financial position and liquidity, and the development of the industry in which it operates, may differ materially from (and be more negative than) those made in, or suggested by, the forward-looking statements contained in this announcement. Significant factors that may cause actual results to differ from those Burford expects include, among others, those discussed under "Risk Factors" in Burford's annual report on Form 20-F for the year ended December 31, 2023 filed with the US Securities and Exchange Commission on March 28, 2024 and other reports or documents that Burford files with, or furnishes to, the US Securities and Exchange Commission from time to time. In addition, even if Burford's results of operations, including its financial position and liquidity, and the development of the industry in which it operates are consistent with the forward-looking statements contained in this announcement, those results of operations or developments may not be indicative of results of operations or developments in subsequent periods.

Except as required by law, Burford undertakes no obligation to update or revise the forward-looking statements contained in this announcement, whether as a result of new information, future events or otherwise.
