**Correction**

The following amendment has been made to the 'Trading Update for the financial year ended 31 December 2024' announcement released on 24 February 2025 at 7am.

There was a misprint for one number such that the paragraph under the Liquid resources, financing and rent collection should have read:

*"All 2024 financing activity was executed successfully with nine loans totaling £154.5 million being refinanced, financed or extended for more than one year at an average rate of 5.13%, including £137.7 million fixed at 4.99%."*

All other details remain unchanged.
