FORWARD-LOOKING STATEMENTS DISCLAIMER

Certain statements included in this announcement are forward-looking. These statements can be identified by the fact that they do not relate only to historical or current facts. By their nature, they involve risk and uncertainties because they relate to events and depend on circumstances that will occur in the future. Actual results could differ materially from those expressed or implied by such forward-looking statements.

Forward-looking statements often use words such as "expects", "believes", "may", "will", "could", "should", "continues", "intends", "plans", "targets", "predicts", "estimates", "envisages" or "anticipates" or other words of similar meaning or their negatives. They include, without limitation, any and all projections relating to the results of operations and financial conditions of International Consolidated Airlines Group, S.A. and its subsidiary undertakings from time to time (the 'Group'), as well as plans and objectives for future operations, expected future revenues, financing plans, expected expenditure, acquisitions and divestments relating to the Group and discussions of the Group's business plans, and its assumptions, expectations, objectives and resilience with respect to climate scenarios. All forward-looking statements in this announcement are based upon information known to the Group on the date of this announcement and speak as of the date of this announcement. Other than in accordance with its legal or regulatory obligations, the Group does not undertake to update or revise any forward-looking statement to reflect any changes in events, conditions or circumstances on which any such statement is based.

Actual results may differ from those expressed or implied in the forward-looking statements in this announcement as a result of any number of known and unknown risks, uncertainties and other factors, including, but not limited to, economic and geo-political, market, regulatory, climate, supply chain or other significant external events, many of which are difficult to predict and are generally beyond the control of the Group, and it is not reasonably possible to itemise each item. Accordingly, readers of this announcement are cautioned against relying on forward-looking statements. Further information on the primary risks of the business and the Group's risk management process is set out in the Risk management and principal risk factors section in the Annual report and accounts 2023; this document is available on www.iairgroup.com. All forward-looking statements made on or after the date of this announcement and attributable to IAG are expressly qualified in their entirety by the primary risks set out in that section.
