About SEET

SDCL Energy Efficiency Income Trust plc is a constituent of the FTSE 250 index. It was the first UK listed company of its kind to invest exclusively in the energy efficiency sector. Its projects are primarily located in North America, the UK and Europe and include, inter alia, a portfolio of cogeneration assets in Spain, a portfolio of commercial and industrial solar and storage projects in the United States, a regulated gas distribution network in Sweden, a portfolio of on-site energy recycling, cogeneration and process efficiency projects, servicing the largest steel blast furnace in the United States, EVN a leading UK independent EV charging infrastructure development company and a district energy system providing essential and efficient utility services on one of the largest business parks in the United States.

The Company aims to deliver shareholders value through its investment in a diversified portfolio of energy efficiency projects which are driven by the opportunity to deliver lower cost, cleaner and more reliable energy solutions to end users of energy.

The Company is targeting an attractive total return for shareholders, with a stable dividend income, capital preservation and the opportunity for capital growth. The Company is targeting a dividend of 6.32 pence per share in respect of the financial year to 31 March 2025. SEET's last published NAV was 90.6p per share as at 30 September 2024.

Past performance cannot be relied on as a guide to future performance.
