Capital Markets Day

Following the successful completion of our rights issue announced in January as part of our comprehensive financing package, today we are hosting our Capital Markets Event which will provide an insight into a range of topics including the delivery of our plans for K8.

The event will be held in Exeter, Devon and is an opportunity to showcase our operational sites alongside showcasing some of our areas of innovation as we bring our largest ever investment programme to life.

For those who are unable to join us today, slides outlining the key areas of the event will be available on our website and a live Q&A will also be hosted from 1.15pm today, both can be accessed here: [Capital Markets Events | Pennon Group PLC](#)
