NOTES:

The Company primarily invests in social housing assets in the UK, with a particular focus on specialised supported housing (SSH). SSH is accommodation for vulnerable adults requiring support to live independently, including those with learning difficulties, mental health problems and physical disabilities. These properties are specially designed or adapted to meet residents' needs and are managed by Approved Providers who are predominantly regulated by the Regulator of Social Housing. Approved Providers consist of Housing Associations and Local Authorities, or other regulated organisations in receipt of direct payment from local government.
