

Maven Income and Growth VCT 4 PLC

Proposed Final Dividend

On 24 January 2025, the Directors of Maven Income and Growth VCT 4 PLC (the Company) announced that the unaudited net asset value of the Company as at 31 December 2024 was 59.47p per Ordinary Share.

The Directors propose that a final dividend of 1.75p per Ordinary Share in respect of the year ended 31 December 2024, be paid on 16 May 2025 to Shareholders on the register at close of business on 11 April 2025. This will bring the annual dividend to 3.75p per Ordinary Share, representing an annual yield of 6.1% based on the NAV at the immediately preceding year end.

As Shareholders will be aware from recent Annual and Interim Reports, decisions on distributions take into consideration a number of factors, including the realisation of capital gains, the adequacy of distributable reserves, the availability of surplus revenue, and the VCT qualifying level. Your Board recognises the importance to Shareholders of regular tax free distributions and, further to the completion of several profitable realisations, has elected to enhance the dividend policy. From the year ended 31 December 2024, your Company has increased its target annual dividend from 5% to 6% of the NAV per Ordinary Share at the immediately preceding year end.

Since the Company's launch, and after receipt of the proposed final dividend, a total of 96.6p per Ordinary Share will have been distributed in tax-free dividends. It should be noted that the effect of paying dividends is to reduce the NAV of the Company by the total cost of the distribution.

Dividend Investment Scheme

The Company has in place a Dividend Investment Scheme (DIS) through which Shareholders may elect to have their dividend payments used to apply for new Ordinary Shares issued by the Company under the standing authority requested from Shareholders at Annual General Meetings. Shares issued under the DIS should qualify for VCT tax reliefs applicable for the tax year in which they are allotted. Terms & conditions of the scheme, together with a mandate form, are available from the Company's webpage at: mavencp.com/migvct4.

Shareholders who have not previously applied to participate in the DIS and who wish to do so in respect of the dividend payable on 16 May 2025, should ensure that a mandate form is received by the Registrar, The City Partnership (UK) Limited, prior to the dividend election date of 2 May 2025.

Further to the information disclosed above, the Directors confirm that they are satisfied that all inside information (as defined by Article 7 of the Market Abuse Regulation (596/2014/EU)) that the Directors and the Company may have in their possession relating to the Company during the 30 day closed period leading up to the announcement of its annual results for the year ended 31 December 2024 has been or will be notified to a regulatory information service.
