Notes to Editors

Northcoders is a market leading provider of technology training for businesses and individuals with courses in Software Engineering, Data Engineering, AI and Machine Learning, and Platform Engineering. Founded in 2015, the Group provides the highest quality online training to students across the UK via its proven NCore technology platform.

Powered by IP rich technology, Northcoders offers bootcamp courses to individuals from a range of backgrounds. The Group also works with blue chip corporates across multiple sectors to help them to achieve their digital requirements, with teams as a service and to supply innovative solutions for the upskilling and reskilling of employees. With a keen focus of inclusivity, diversity and quality at its core, Northcoders aims to address the digital skills gap in the UK to meet the increasing demand for digital specialists at all levels, from businesses and public agencies.

Northcoders was admitted to trading on AIM in July 2021 with the ticker CODE.L. For additional information please visit investors.northcodersgroup.com.
