Pressure Technologies plc

("Pressure Technologies" or "the Company")

2025 Annual General Meeting & Trading Update

Pressure Technologies plc (AIM: PRES) is pleased to confirm that its 2025 Annual General Meeting ("AGM") will take place today, Thursday 20 March 2025, from 09:30 at the offices of Singer Capital Markets, 1 Bartholomew Lane, London, EC2N 2AX.

In addition to the normal resolutions proposed at the AGM this year, a special resolution proposing the change of the Company's name from Pressure Technologies plc to Chesterfield Special Cylinders Holdings plc will be proposed, reflecting the Company's focus and ambition in core activities across global defence and hydrogen energy markets.

With key defence and hydrogen contracts either already secured in the first half of the financial year or expected early in the second half, and with continued growth expected in Integrity Management services, the Board confirms that the outlook for FY25 remains unchanged from the FY24 full-year results announcement made on 5 February 2025.
