### **Board Change**

Crimson Tide plc (TIDE), the provider of the mpro5 process management app, announces the following Board change.

Jacqueline Daniell has informed the Board that she will be stepping down as Chair and Board director of the Company.

Jacqueline has agreed to continue in the role until the Crimson Tide AGM in June 2025, or such time as a new Chair is appointed, to support transition plans while the Board commences the search for a replacement Chair to guide the Company through the next stage.

James Joyce, Senior Independent Director at Crimson Tide commented: "I would like to pay tribute to the contribution that Jacqueline has made to Crimson Tide. She has served as a non-executive director and stepped into the role of CEO, and following that, Chair when called upon. I am personally grateful for her input. She leaves with sincere thanks from all directors."
