**Issue of Equity**

On 27 September 2024, the Company launched an offer for subscription for new ordinary shares of 10p each (Ordinary Shares) to raise up to £5 million, with an over-allotment facility for up to a further £5 million (the Offer). As announced on 27 March 2025, the Company's Offer is now fully subscribed and closed to further applications.

Pursuant to the Offer, a total of £2,648,633 of valid applications were received in the period from 9.00am on 14 February 2025, up to and including 9.00am on 24 March 2025 in respect of the 2024/2025 tax year. As a result, the Company has issued and allotted 7,937,326 new Ordinary Shares on 27 March 2025. In accordance with the allotment formula set out in the prospectus for the Offer, the offer prices at which the shares were issued were in the range of 32.48p to 33.35p per Ordinary Share and, as a result, the number of Ordinary Shares now in issue is 229,870,842. Therefore, the total number of voting rights in the Company is 229,870,842 and this may be used by Shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest, or a change to their interest, in the Company under the FCA's Disclosure Guidance and Transparency Rules.

In respect of this allotment, an application will be made by the Company to the FCA and to the London Stock Exchange for the new Ordinary Shares to be admitted to the Official List and to trading on the London Stock Exchange's main market for listed securities. It is expected that the admission of the new Ordinary Shares will become effective, and dealings will commence, on or around 31 March 2025.

This is the third allotment in respect of the 2024/2025 tax year and the Board of the Company intends that one further allotment in respect of applications for the 2024/2025 tax year will take place on, or before, 4 April 2025. It is also intended that an allotment in respect of applications for the 2025/2026 tax year will take place on, or before, 2 May 2025.
