

Reach Announcement

31 March 2025

Smarttech247 Group PLC

("Smarttech247", the "Group" or the "Company")

Smarttech247 Awarded Contract by Major Irish Hospital

Smarttech247, a leading provider of managed detection and response services, is pleased to announce it has secured a significant extension to an existing contract with a major hospital in Ireland.

The contract, valued at circa €500,000 over four years, will see the implementation of a leading Endpoint Detection and Response (EDR) solution into the hospital's existing VisionX MDR platform.

This extension will build on, and significantly enhance, the hospital's existing cybersecurity infrastructure, providing real-time threat detection, rapid incident response, and comprehensive protection of critical systems and patient data.

Raluca Saceanu, CEO of Smarttech247, commented:

"This win is further validation of our VisionX MDR offering and our capability to deliver enterprise-grade cybersecurity solutions tailored to high-impact environments like healthcare. We're proud to be supporting one of Ireland's leading hospitals in strengthening its cyber resilience."

"This latest success strengthens Smarttech247's growing footprint in the healthcare sector and reinforces our position as a trusted cybersecurity partner. Importantly, the win also reflects our continued successful execution of our FY2025 strategy, which focuses on increasing total contractual value through effective upselling and cross-selling across Smarttech247's suite of cybersecurity solutions."

- Ends -

*Smarttech247 is a recognised vendor in 2024 Gartner® Market Guide for Managed Detection and Response.
