Recent Company Highlights:

- Plans announced to seek a Nasdaq dual listing.
- Expansion of Bitcoin Mining Fleet: Continued investment in new, state-of-the-art mining equipment, including Bitmain S21 and S21 Pro miners.
- UK Listing: Vinanz listed on the London Stock Exchange Main Board on the 13 January 2025 and remains focused on leveraging London's financial market to position itself as a leader in Bitcoin asset management.
- Growing Institutional Interest: With increasing demand for Bitcoin exposure, Vinanz is working to capture a larger share of institutional investments.

The directors of Vinanz Limited accept responsibility for this announcement.

**About Vinanz**

Vinanz is a UK-based Bitcoin-focused company that combines decentralized Bitcoin mining operations with a robust asset management strategy aimed at acquiring and holding regulated Bitcoin assets. As a growing leader in the space in the UK, Vinanz seeks to drive growth through a combination of mining revenue and strategic asset acquisitions, positioning itself as a prominent player in the Bitcoin market. Vinanz is listed on the London Stock Exchange under the ticker **BTC.L**.

**About Virtual Investor Conferences®**

Virtual Investor Conferences (VIC) is the leading proprietary investor conference series that provides an interactive forum for publicly traded companies to seamlessly present directly to investors. Providing a real-time investor engagement solution, VIC is specifically designed to offer companies more efficient investor access. Replicating the components of an on-site investor conference, VIC offers companies enhanced capabilities to connect with investors, schedule targeted one-on-one meetings and enhance their presentations with dynamic video content.
