9 April 2025

**RTW Biotech Opportunities Ltd**  
(the "Company")

**Transaction in Own Shares**

The Company announces that on 8 April 2025 it bought back 150,000 of its Ordinary Shares at a price of 1.13 per Ordinary Share.

The repurchased Ordinary Shares will be held by the Company in treasury. Following the purchase and settlement of these Ordinary Shares, the Company's issued Ordinary Share capital is 345,967,440 of which 11,703,791 Ordinary Shares will be held in treasury, which attract no voting rights. Therefore, the total voting rights in the Company will be 334,263,649.

The Company has bought back these Ordinary Shares under the authority granted by shareholders at its Annual General Meeting in May 2024, which permits the Company to repurchase a maximum of 14.99% of its Ordinary Shares. The actual number of Ordinary Shares repurchased by the Company will depend on market conditions. This authority lasts until the next shareholder authority granted (expected to be at the Annual General Meeting in 2025), or until expressly revoked by shareholders.

The above figure of 334,263,649 may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the FCA's Disclosure and Transparency Rules.

No maximum consideration payable has been determined by the Company, but the Company is unable to pay a price for any Ordinary Shares pursuant to the buyback which would equate to a premium to the net asset value. It is the Company's current intention to hold any Ordinary Shares bought back in treasury.

The Company has instructed Deutsche Numis as its broker in respect of its buyback transactions. This arrangement is in accordance with the FCA Listing Rules and the Company's general authority to repurchase shares.
