**Gamma Communications plc ("Gamma")** is a leading provider of technology-based communication solutions across Europe. With approximately 2,200 employees and admitted to trading on AIM, Gamma helps organisations connect and collaborate through solutions including Unified Communications, voice enablement, connectivity, mobile and security.

Gamma's vision is a better-connected world - working smarter for the benefit of businesses, people and the planet. Selling exclusively to businesses and public sector organisations, Gamma's core markets are the UK and Germany, with additional presence in Spain and the Benelux region.

In the UK, Gamma serves SMEs through an extensive network of over 1,500 channel partners (Gamma Business). For larger businesses and public sector organisations, Gamma Enterprise engages directly to sell, deliver, and support more complex, integrated communications solutions. In Germany, Gamma operates through a combination of a self-service digital platform and a strong partner network and is now one of the country's leading cloud communications providers following strategic acquisitions.
