About IP Group

IP Group accelerates the impact of science for a better future. As the most active UK based, early stage science investor, we develop and support some of the world's most exciting businesses in deeptech, life sciences and cleantech (led by Kiko Ventures). Through Parkwalk, the UK's largest growth EIS fund manager, we also back world-changing innovation emerging in leading universities and research institutions. Our specialist investment team combines sector expertise with an international approach. Together we have a strong track record of success, having backed high-profile companies including Oxford Nanopore Technologies plc, First Light Fusion, Hysata, and Oxa. IP Group is listed on the Main Market of the London Stock Exchange under the code IPO.
