

29 April 2025

DIGITAL 9 INFRASTRUCTURE PLC

("D9" or the "Company" and, together with its subsidiaries, the "Group")

Rescheduling of D9's Investor Presentation

D9 advises that the results presentation for analysts and institutional investors, previously announced to take place on the day of D9's audited Annual Results, Wednesday 30 April 2025, has been delayed.

The delay is a result of ongoing Board review and discussion regarding the 31 December 2023 valuation, which is delaying the finalisation of the December 2024 accounts and audit. The outcome of this review is not expected to have any impact on the 31 December 2024 NAV. The finalisation of this matter is required in order for D9 to present the information intended to be included in the Investor Presentation, and as such the presentation has been delayed.

D9 will announce its audited Annual Results for the year ended 31 December 2024 by market close on Wednesday 30 April 2025 and expect to host the rescheduled Investor Presentation during the week of 6 May 2025.

ENDS.
