About 1Spatial plc

1Spatial plc is a global leader in Location Master Data Management (LMDM) solutions, headquartered in Cambridge with over 1,000 customers around the world. Our software is used by enterprises and government bodies to make better business decisions through improved data governance.

Our patented rules engine powers a cutting-edge software platform, as well as a suite of proprietary business applications and SaaS products. Our flexible deployment options, including cloud-based SaaS, on-premise and hybrid solutions, are designed to meet our clients' diverse organisational needs.

Over the last 12 months, we launched two SaaS offerings with considerable potential: 1Streetworks which revolutionises traffic management in the UK, through the automated creation of accurate, compliant and sharable traffic management plans, diversion routing and asset inventory lists; and Public Safety NG-9-1-1 solution, which enables US Cities and Counties to comply with the latest data regulations around public safety and emergency response.

1Spatial plc is AIM-listed, with operations in the UK, Ireland, USA, France, Belgium, Tunisia, and Australia.
