Notes to Editors

Focusrite plc is a global audio products group that develops and markets proprietary hardware and software products. Used by audio professionals and musicians, its solutions facilitate the high-quality production of recorded and live sound. The Focusrite Group trades under thirteen established brands: Focusrite, Focusrite Pro, Novation, Ampify, ADAM Audio, Martin Audio, Optimal Audio, Linea Research, Sequential, Oberheim, Sonnox, OutBoard and TiMax.

With a high-quality reputation and a rich heritage spanning decades, its brands are category leaders in the music-making and audio reproduction industries. Focusrite and Focusrite Pro offer audio interfaces and other products for recording musicians, producers and professional audio facilities. Novation and Ampify products are used in the creation of electronic music, from synthesizers and grooveboxes to industry-shaping controllers and inspirational music-making apps. ADAM Audio studio monitors have earned a worldwide reputation based on technological innovation in the field of studio loudspeaker technology. Martin Audio designs and manufactures performance-ready systems across the spectrum of sound reinforcement applications. Linea Research designs, develops, manufactures and sells market innovative professional audio equipment globally. Sequential designs and manufactures high end analogue synthesizers under the Sequential and Oberheim brands. Sonnox is a leading designer of innovative, high-quality, award-winning audio processing software plug-ins for professional audio engineers. TiMax specialises in innovative immersive audio and show control technologies. OutBoard manufactures and sells industry standard rigging control products for live events, together with enterprise-level safety test, preparation and quality management for global rental companies and venues.

The Group has offices in four continents and a global customer base with a distribution network covering approximately 240 territories.
