About Downing Renewables & Infrastructure Trust PLC

DORE is a closed ended investment company incorporated in England and Wales. The Company aims to provide investors with an attractive and sustainable level of income, with an element of capital growth, by investing in a

investors with an attractive and sustainable level of income, with an element of capital growth, by investing in a diversified portfolio of renewable energy and infrastructure assets in the UK, Ireland and Northern Europe.

The Company's strategy, which focuses on diversification by geography, technology, revenue and project stage, is designed to deliver stability of revenues and consistency of income to shareholders. For further details please visit www.doretrust.com.

The Company is an Article 9 fund pursuant to the EU Sustainable Finance Disclosure Regulations ("SFDR"). The core sustainable Investment Objective of the Company is to accelerate the transition to net zero through its investments, compiling and operating a diversified portfolio of renewable energy and infrastructure assets to help facilitate the transition to a more sustainable future. This directly contributes to climate change mitigation.

DORE is a Green Economy Mark (London Stock Exchange) accredited company with an ESG framework that aims to provide investors with attractive returns while contributing to the successful transition to a net-zero carbon economy, resulting in a cleaner, greener future.

As at 31 December 2024, the Company had 184,622,487 ordinary shares in issue (of which 13,234,598 were held in treasury) which are listed on the FCA's closed-ended investment funds category and traded on the London Stock Exchange's Main Market.

DORE is managed by Downing LLP (the "Investment Manager" or "Downing").

About Downing

Downing is a responsible investment manager established in London in 1986. Downing currently manages £2.1 billion of assets under a broad range of investment mandates across our funds, investment trusts and tax-efficient products. As a certified B Corporation, Downing is focussed on creating a sustainable future, our key investment areas are renewable energy, infrastructure, property and healthcare.

Downing has 90 professionals dedicated to renewable energy and infrastructure and a proven track record in renewables. Since 2010, Downing has made more than 200 investments and has over £920 million of assets under management in this sector.
