The passing of the Resolutions provides the Company with the necessary authorities to enable the issue of the Loan Notes and the future grant of Warrants, details of which were set out in the announcement made by the Company on 24 April 2025.

Following the passing of the Resolutions, completion of the Farm-In Agreement with government-owned joint venture partner TIMOR GAP, details of which were announced by the Company on 24 April 2025, remain conditional on the following conditions precedent being: (i) signature of a contract for the use of a drilling rig for the drilling of the Chuditch-2 well; and (ii) approval of the Farm-In Agreement by upstream regulator ANP.
