GEO Exploration Limited

(Formerly Global Petroleum Limited)

("GEO " or the "Company")

Exploration Licence Granted at Juno Project

GEO Exploration Limited (LSE AIM: GEO) is pleased to announce that Exploration Licence E08/3744 has been granted to its wholly owned subsidiary Juno Gold Limited by the Department of Energy, Mines, Industry Regulation and Safety (DEMIRS) in Western Australia. E08/3744 forms the western parts of the Juno project located in central Western Australia where the company is conducting exploration for large Intrusion Related Gold Systems (IRGS) which host precious and base metal mineralisation.

The Juno project currently comprises four licences (Figure 1) covering a total of 644 square kilometres. Total granted tenure at Juno now increases from 275 square kilometres to 450 square kilometres with the addition of Exploration Licence E08/3744. Exploration Licence E08/3744 contains potential exploration targets which share geophysical similarities to the primary target within Exploration Licence E08/3497.
