The Company has prepared the following consolidated report in accordance with DTR 4.3A of the Financial Conduct Authority Disclosure and Transparency Rules and in compliance with the Reports on Payments to Governments Regulations 2014 (SI 2014/3209), as amended by the Reports on Payments to Governments (Amendment) Regulations 2015 (SI 2015/1928).

The Company discloses below payments made to governments of the Group's subsidiaries involved in extractive activities. The term 'government' includes a department, agency or entity that is controlled by the government authority.

Where payments have been made in currencies other than the reporting currency (USD), the exchange rate existing at the time the payment is made has been used.

"Project" is defined as "operational activities governed by a single contract, license, lease, concession or similar legal agreements and form the basis for payment liabilities with a government". Where multiple such agreements are substantially interconnected, this was considered a project for the purpose of this report.

There were no payments in kind made to a Government during the year.

The following payment types are disclosed for legal entities involved in extractive activities for the year ended 31 December 2023:

Payments to governments in relation to revenue or production generated under hydrocarbon (oil) production license agreements.Â Â Â Â Â Â

Taxes levied on consumption such as value added taxes, personal income taxes, sales taxes, property and environmental taxes have not been included in this report.
