Vinanz Joins "Bitcoin for Corporations" Initiative with US based Strategy Inc and Bitcoin Magazine

London, New York, May 15, 2025 - Vinanz Limited (BTC:L and VINZF:US); the London Stock Exchange Main Market Listed Bitcoin company with North American Bitcoin operations, is pleased to announce that it has joined the **"Bitcoin for Corporations"** initiative (<https://b.tc/corporations>), launched by **Strategy Inc.** and **Bitcoin Magazine** to accelerate corporate adoption of Bitcoin.

This very high-profile initiative is designed to support publicly listed companies in their adoption of Bitcoin as a strategic treasury asset. Participating companies gain access to best practices, tools, and resources for treasury management in Bitcoin, while also engaging with a broader network of executives and institutional leaders focused on Bitcoin integration.

Vinanz's participation in the program supports the Company's strategy to expand its Bitcoin treasury position and strengthen its alignment with leading corporate adopters of Bitcoin as a primary reserve asset.

David Lenigas, Chairman of Vinanz, commented

"Our participation in the Bitcoin for Corporations initiative underscores our view that Bitcoin is not just a commodity, but a monetary standard. Just as corporations manage currency exposure in Dollars, Pounds, and Euros, Vinanz is actively building its treasury in Bitcoin to not only build a solid balance sheet but also to complement its existing North American mining operation. This initiative places us alongside like-minded institutions and gives us the opportunity to align on the future of Bitcoin as a primary treasury asset."

The directors of Vinanz Limited accept responsibility for this announcement.
