Contract Win

Staffline to expand operational footprint with leading food and drink logistics provider

Staffline (AIM: STAF), the recruitment group, is pleased to announce it has secured a significant strategic partnership with one of the UK's leading food and drink supply chain management and logistics providers covering the whole of the UK and Ireland.

This new partnership comprises an initial two-year agreement with a one-year extension option to outsource to Staffline 100% of the agency labour services that are currently supplied by the wholly owned in-house labour supplier. This partnership will see the Group deliver flexible, temporary employment solutions in addition to managing second tier suppliers across the client's chilled and ambient business operations.

The Contract is anticipated to further strengthen Staffline's leading market position in the logistics sector. The mobilisation of c3,000 temporary workers across driving, warehousing and security activities will begin no sooner than the end of Q2 2025 and is expected to continue during Q3 2025.

Albert Ellis, Chief Executive Officer of Staffline commented:

"We are delighted to have secured such an important, value enhancing strategic partnership. This new contract reinforces Staffline's strong reputation as a trusted partner for supplying volume labour to the food and drinks, logistics and FMCG sectors and materially enhances the Board's expectations of Group performance over the life of the contract. Over the coming months the Staffline team will be working with the leadership to manage a smooth transition, creating efficiencies, synergies and opportunities for all parties."
