**Result of Annual General Meeting**

PPHE Hotel Group confirms that at the Company's Annual General Meeting held on 21 May 2025 at 12 noon, all of the resolutions were decided on a poll and all resolutions proposed at the Annual General Meeting were passed save for Resolution 19, the approval of the Rule 9 Waiver granted by the Takeover Panel. Resolutions 10 to 13 relating to the re-election of the independent Directors were duly passed by both a majority of the votes cast by the independent shareholders as well as by a majority of votes cast by all shareholders. These votes have been calculated separately and are shown below (independent shareholder votes cast being marked \*\*\*).

The full text of each resolution was included in the Company's Notice of Annual General Meeting (dated 27 March 2025) that was posted or e-mailed to shareholders and also made available on the Company's website [www.pphe.com](http://www.pphe.com). The Board notes that Resolution 19, the approval of the Rule 9 Waiver granted by the Takeover Panel, did not pass with 79.11% of votes cast against the Resolution. The Board also notes the significant opposition to the Special Resolution 18, the approval of the Company's authority to make market acquisitions of the ordinary shares of the Company on such terms as the Directors determine. The Board believe that share buybacks represent an attractive means of returning capital to shareholders and as such they have formed a core component of the Group's capital allocation framework in recent years. However, the Board recognises, and acknowledges, shareholder concerns around the use of Rule 9 waivers in the context of potential share buybacks. In light of the vote against the Rule 9 Waiver, the Board will evaluate other means of returning capital to shareholders. The Board will continue to actively engage with shareholders to understand the reasons behind the significant opposition to Resolutions 18 and 19 and pursuant to the UK Corporate Governance Code, we will publish an update within six months of the 2025 AGM.

\*Includes discretionary votes

\*\*A vote "Withheld" is not a vote in law and is therefore not counted towards the proportion of votes "For" or "Against" the resolution

\*\*\* Votes cast by independent shareholders
