About Inspiration Healthcare

Inspiration Healthcare (AIM: IHC) designs, manufactures and markets pioneering medical technology. Based in the UK, the Company specialises in neonatal intensive care medical devices, which are addressing a critical need to help to save the lives and improve the outcomes of patients, starting with the very first breaths of life.

The Company has a broad portfolio of its own products and complementary distributed products, for use in neonatal intensive care designed to support even the most premature babies throughout their hospital stay. Its own branded products range from highly sophisticated capital equipment such as ventilators for life support through to single-use disposables.

The Company sells its products directly to hospitals and healthcare providers in the UK and Ireland, where it also distributes a range of advanced medical technologies for infusion therapy. In the rest of the world the Company has an established network of distribution partners around the world giving access to more than 75 countries.

The Company operates in the UK from its world-class Manufacturing and Technology Centre in Croydon, South London and in the USA from its facility in Melbourne, Florida.
