Transaction by Person Discharging Managerial Responsibilities

AstraZeneca PLC (the Company) announced that, on 21 May 2025, an award of the Company's ordinary shares of 0.25 each (Ordinary Shares) vested to Pascal Soriot, Executive Director and Chief Executive Officer, under the terms of the AstraZeneca Performance Share Plan (AZPSP).

The AZPSP award was granted on 21 May 2020 as part of the award granted to Mr Soriot on 6 March 2020, and reflected the revised limits of the AZPSP, as approved by shareholders at the Company's 2020 Annual General Meeting. The award was subject to a three-year performance period. On the third anniversary of grant the award was placed in a two-year holding period. The award vested at the end of that holding period. Application of the performance measures specified at the time of the grant resulted in 97% of the AZPSP award vesting and the remaining unvested part lapsing.

Following the reinvestment of dividends accrued during performance and holding periods of the AZPSP award, and the withholding of shares to satisfy certain tax obligations arising on vesting, Mr Soriot's beneficial interests in Ordinary Shares changed as detailed in the table below:

PDMR	Ordinary Shares acquired under the AZPSP
Pascal Soriot	8,970

For tax purposes, the fair market value of an Ordinary Share at vest of the AZPSP award was 10,418 pence, being the closing price on the last trading day preceding the vesting.

Further details are set out in the attached notification, made in accordance with the requirements of the EU Market Abuse Regulation (as it forms part of UK law pursuant to the European Union (Withdrawal) Act 2018).
