#### Share buy-backs

During the period from 1 January 2025 to 31 March 2025, no shares were repurchased by the Company.

It remains the Boardâ€™s policy to buy back shares in the market, subject to the overall constraint that such purchases are in the Companyâ€™s interest, including the maintenance of sufficient resources for investment in existing and new portfolio companies and the continued payment of dividends to shareholders.

It is the Boardâ€™s intention for such buy-backs to be at around a 5% discount to net asset value, so far as market conditions and liquidity permit.
