THIS ANNOUNCEMENT CONTAINS INSIDE INFORMATION

4 June 2025

**RECOMMENDED CASH ACQUISITION OF
INDUCTION HEALTHCARE GROUP PLC ("Induction")**

by

VITALHUB UK LIMITED ("Bidco")

(a direct subsidiary of VitalHub Corp.)

to be implemented by means of a court-sanctioned scheme of arrangement under

Part 26 of the Companies Act 2006

SATISFACTION OF NSIA CONDITION

On 10 April 2025, the boards of Induction and Bidco announced that they had agreed the terms and conditions of a recommended cash acquisition pursuant to which Bidco shall acquire the entire issued, and to be issued, ordinary share capital of Induction (the "**Acquisition**"). The Acquisition is being implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**").

On 17 April 2025, Induction published and posted a circular in relation to the Scheme (the "**Scheme Document**") setting out, amongst other things, the full terms and conditions of the Scheme, an explanatory statement pursuant to section 897 of the Companies Act, an expected timetable of principal events, notices of the Court Meeting and General Meeting and details of the actions to be taken by Induction Shareholders. Capitalised terms used and not defined in this announcement have the meanings given to them in the Scheme Document.

On 12 May 2025 the Court Meeting and the General Meeting held in connection with the Acquisition were approved by the requisite majorities.

Satisfaction of NSIA Condition

Induction and Bidco are pleased to announce that, following a notification having been made and accepted under the NSIA, the Secretary of State confirmed that no further action will be taken in relation to the Acquisition under the NSIA and therefore the NSIA Condition has now been satisfied.

As previously announced on 12 May 2025, Conditions 1.2.1 and 1.2.2 set out in Part 4 (Conditions and Further Terms of the Acquisition) have also been satisfied. Completion of the Acquisition remains subject to the satisfaction (or, where applicable, waiver) of the remaining Conditions set out in the Scheme Document, including the sanction of the Scheme by the Court at the Sanction Hearing and the delivery of a copy of the Court Order to the Registrar of Companies.

Next steps and timetable

Induction and Bidco are pleased to confirm that the Sanction Hearing, at which the Court will be asked to sanction the Scheme, is expected to take place on 16 June 2025.

Subject to the Scheme receiving the sanction of the Court and the delivery of a copy of the Court Order to the Registrar of Companies, the Scheme is expected to become Effective on 18 June 2025.

An updated expected timetable of principal events is set out below. The dates and times in the expected timetable (including as repeated in the rest of this announcement) are indicative only, are based on Induction's and Bidco's current expectations and are subject to change. The dates will depend, among other things, on the dates on which: (i) the remaining Conditions are satisfied or (if capable of waiver) waived; (ii) the Court sanctions the Scheme; and (iii) the Court Order sanctioning the Scheme is delivered to the Registrar of Companies.

A further announcement will be made following the Sanction Hearing.

UPDATED EXPECTED TIMETABLE OF PRINCIPAL EVENTS

The following indicative timetable is based on Induction's and Bidco's current expected dates for the implementation of the Scheme and is subject to change (including as may be agreed by Induction and Bidco from time to time). If any of the dates and/or times in this expected timetable change, the revised dates and/or times will be notified to Induction Shareholders by issuing an announcement through the Regulatory Information Service of the London Stock Exchange, with such announcement being made available on Induction's website at <https://www.inductionhealthcare.com/offer> and on Bidco's website at <https://www.vitalhub.com/possible-offer-for-inductionhealthcare-plc>.

Overseas Shareholders

The release, publication and/or distribution of this announcement in or into jurisdictions other than the United Kingdom may be restricted by the laws and regulations of those jurisdictions and therefore persons who are not resident in the United Kingdom into whose possession this announcement comes should inform themselves about and observe any such restrictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their Scheme Shares with respect to the Scheme at the Court Meeting or their Induction Shares with respect to the Resolution at the General Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting and/or General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

The Acquisition will not be made, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws of that jurisdiction and no person may vote in favour of the Acquisition by any use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement are not being and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction, and persons receiving this announcement (including custodians, nominees and trustees) must not mail or otherwise distribute or send it in, into or from such Restricted Jurisdictions as doing so may violate the securities laws of such jurisdictions.

This announcement is not an offer of securities for sale in the United States, Canada, Australia or Japan or in any other jurisdiction in which such an offer is unlawful.

Notice to US Induction Shareholders

Induction Shareholders in the United States should note that the Acquisition relates to the securities of a company organised under the laws of England and Wales and is proposed to be effected by means of a scheme of arrangement under the Companies Act. This announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Code and UK disclosure requirements, format and style applicable to a scheme of arrangement, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements of and practices applicable in the United Kingdom under the Code to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules. However, Bidco reserves the right to implement the Acquisition by means of a Takeover Offer for the entire issued share capital of Induction as an alternative to a scheme of arrangement.

The information contained in this announcement has neither been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities passed upon the fairness or merits of the proposal contained in this announcement or determined the adequacy or accuracy of the information contained herein. Any representation to the contrary is a criminal offence in the United States.

Induction's financial statements, and all financial information that is included in this announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles. None of the financial information in this announcement has been audited in accordance with the auditing standards generally accepted in the US or the auditing standards of the Public Company Accounting Oversight Board of the US.

If Bidco were to elect to implement the Acquisition by means of a Takeover Offer, such Takeover Offer would be made in compliance with applicable US securities laws and regulations, including to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in accordance with the Code. Such a Takeover Offer would be made in the United States by Bidco and no one else. Accordingly, the Acquisition would be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under US domestic tender offer procedures and law.

The receipt of cash pursuant to the Acquisition by an Induction Shareholder in the United States as consideration for

the receipt of cash pursuant to the Acquisition by an Induction Shareholder in the United States as consideration for the transfer of its Induction Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under any applicable United States state and local income tax laws. Each Induction Shareholder in the United States is urged to consult their independent professional tax or legal adviser immediately regarding the US federal, state and local income and non-income tax consequences of the Acquisition applicable to them as well as any consequences arising under the laws of any other taxing jurisdiction.

It may be difficult for Induction Shareholders in the United States to enforce their rights and claims arising out of the US federal securities laws, since Bidco and Induction are located in a country other than the US, and some or all of their officers and directors are residents of countries other than the US. Induction Shareholders in the United States may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) under the US Exchange Act, Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Induction outside such a Takeover Offer during the period in which such a Takeover Offer would remain open for acceptance. If such purchases or arrangements to purchase were to be made, they would occur outside the US either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including to the extent applicable, the US Exchange Act and the Code. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

This announcement, oral statements made regarding the Acquisition, and other information published by Induction, Bidco or any member of the Wider Bidco Group contain statements which are, or may be deemed to be, 'forward-looking statements'. Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Induction, Bidco or any member of the Wider Bidco Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement relate to Induction's and Bidco's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, use of words such as 'anticipate', 'continue', 'estimate', 'expect', 'forecast', 'intend', 'may', 'plan', 'project', 'should', 'will' or similar expressions is likely to identify forward-looking statements, which reflect current views about future events but are subject to risks and uncertainties that could cause actual outcomes to differ materially from those expressed in a forward-looking statement. Many such risks and uncertainties relate to factors which those making the forward-looking statement are unable to control or estimate precisely: for example, changes in general economic and business conditions, changes in currency exchange and interest rates, introduction of new or competing products or services and the behaviour of other market participants. Accordingly, forward-looking statements should be regarded with caution, and undue reliance should not be placed upon them.

Neither Induction nor Bidco nor any member of the Wider Bidco Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to Induction, Bidco or any member of the Wider Bidco Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

The Induction Directors and Bidco Directors do not intend, and accept no obligation to, update forward-looking statements except as may be required by specific applicable legal requirement.

A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (a) the offeree company and (b) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of: (i) the offeree company; and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must be made by the offeree company and also by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified.
