Cambridge, UK, 06 June 2025 - Bango, today announces that Anil Malhotra and Frank Bury will not seek re-election to the Board at the Company's 2025 Annual General Meeting ("AGM") on 30 June 2025. Anil and Frank will formally step down from the Board at the conclusion of the AGM.

Anil Malhotra will change from his role as Chief Marketing Officer to take on a new role, focusing on guiding Telcos and other resellers to integrate their AI strategies with the Digital Vending Machine® (DVM™) platform, creating significant extra value for their customers.

Ray Anderson, Executive Chair, said: "On behalf of the Board I would like to thank Anil and Frank for their outstanding commitment and invaluable contributions to the Board. Frank brought extensive financial industry experience and has provided excellent guidance and counsel to Bango. Anil's passion and skill in communicating the Bango vision won us support from the world's biggest internet companies and has enabled Bango to create a unique market presence with the Digital Vending Machine. His background in AI positions us well to help Telcos use AI to extract value from the data that only the DVM can collect."
