Trading Update and Notice of Results

Positive trading in H1 2025 combined with solid order intake and ongoing new business provide confidence for FY 2025

Synectics plc (AIM: SNX), a leader in advanced security and surveillance solutions, is pleased to provide an update on trading for the six months ended 31 May 2025 ("H1 2025").

Synectics has continued to see solid order intake and ongoing new business momentum across the Group in H1 2025, with trading for the year ending 30 November 2025 ("FY 2025") comfortably in line with market expectations*, in addition to maintaining a strong cash position.

Progress has been positive in the year to date, securing extensions and repeat orders with existing long-term customers across a variety of sectors and geographies, in addition to securing new customer mandates.

The order book remains strong, with a number of sizeable projects due to be delivered in the second half of the year and beyond.
