

9 June 2025

**Mindflair plc**

("Mindflair" or the "Company")

**New Website**

Mindflair plc, the company investing in next-generation technology focused on AI, is pleased to announce the launch of its newly redesigned corporate website, accessible at the same address: <https://mindflair.tech/>.

The updated site features a modern design, improved navigation, and enhanced functionality across all devices. The purpose of this redesign is to better reflect the Company's strategy, improve access to investor and portfolio information, and strengthen engagement with shareholders and the wider AI technology community.

**Nicholas Lee, Director of Mindflair plc, commented:**

*"As Mindflair continues to support and invest in the future of AI, we recognise the importance of clearly communicating our mission and progress. The refreshed website aligns with our ambition to be a transparent and forward-looking investment company. We believe this new platform will provide greater value to our investors and stakeholders."*

The Directors of the Company are responsible for the release of this announcement. The person who arranged for the release of this information is Nicholas Lee, a director of the Company.

**Notes to Editors**

Mindflair plc (AIM: MFAI) is an investment company providing investors with access to a portfolio of next generation technology businesses focused on AI with significant growth potential. The Company is building an investment portfolio of high-tech businesses focused on Artificial Intelligence, across such areas as Internet of Things, Cyber Security, Machine Learning, Immersive Technologies and Big Data, which the Board believes demonstrate evidence of traction and the potential for exponential growth, due to increasing global demand for development in these sectors.
