About Molten Ventures

Molten Ventures is a leading venture capital firm in Europe, developing and investing in high growth technology companies.

It invests across four sectors: Enterprise & SaaS; AI, Deeptech & Hardware; Consumer Technology; and Digital Health with highly experienced partners constantly looking for new opportunities in each.

Listed on the London Stock Exchange, Molten Ventures provides a unique opportunity for public market investors to access these fast-growing tech businesses, without having to commit to long term investments with limited liquidity. Since its IPO in June 2016, Molten has deployed over £1bn capital into fast growing tech companies and has realised £660m to 31 March 2025.
