**Mr. Burns** joined Wheaton Precious Metals in 2006 and has played a key role in overseeing the Company's technical operations and project evaluations. With extensive experience in the mining industry, he brings a strong background in resource development and project management. Prior to joining Wheaton, Mr. Burns held senior positions at Lundin Mining Corporation, where he was exploration manager for Portugal and then moved into the Corporate Resource Geologist role where he was the qualified person responsible for resources across the organization. He holds a master's degree in mineral exploration from Queen's University and a Bachelor of Science degree from Dalhousie University and is a registered Professional Geologist with Engineers and Geoscientists British Columbia.

**Ms. Howarth** joined Wheaton Precious Metals in 2013 and currently serves as Vice President, Legal. She has played a key role in strengthening the Company's legal and human resources functions, supporting Wheaton's strategic growth while fostering a high-performance and values-driven culture. With a background in both law and human capital management, she brings a unique combination of legal insight and organizational leadership. Prior to joining Wheaton, Ms. Howarth held senior legal roles that included human resources functions. She holds Bachelor of Laws and Bachelor of Arts (Honours) degrees from Queen's University and is a member of the Law Society of British Columbia and Ontario.

**Mr. Deutscher** joins Wheaton Precious Metals as Vice President, Legal Transactions, where he is responsible for overseeing and guiding the Company's metal streaming transactions, as well as managing its existing assets from a legal perspective. Mr. Deutscher brings over 13 years of private practice experience to the role. Prior to joining Wheaton, he was a partner in the Business Law Group of McCarthy Tétrault LLP, where he specialized in domestic and international transactions within the mining sector, with particular expertise in metal streams, royalty financings and mining joint ventures. Mr. Deutscher holds a Juris Doctor degree from the University of British Columbia and a Bachelor of Science (with great distinction) from the University of Saskatchewan and is a member of the Law Society of British Columbia.

#### About Wheaton Precious Metals

Wheaton is the world's premier precious metals streaming company with the highest-quality portfolio of long-life, low-cost assets. Its business model offers investors commodity price leverage and exploration upside but with a much lower risk profile than a traditional mining company. Wheaton delivers amongst the highest cash operating margins in the mining industry, allowing it to pay a competitive dividend and continue to grow through accretive acquisitions. As a result, Wheaton has consistently outperformed gold and silver, as well as other mining investments. Wheaton is committed to strong ESG practices and giving back to the communities where Wheaton and its mining partners operate. Wheaton creates sustainable value through streaming for all of its stakeholders.
