**About Wise**

Wise is a global technology company, building the best way to move and manage the world's money. With Wise Account and Wise Business, people and businesses can hold over 40 currencies, move money between countries and spend money abroad. Large companies and banks use Wise technology too; an entirely new network for the world's money.

One of the world's fastest growing, profitable tech companies, Wise launched in 2011 and is listed on the London Stock Exchange under the ticker, WISE. In fiscal year 2025 Wise supported over 15 million people and businesses, processing approximately £145 billion in cross-border transactions, and saving customers around £2 billion.
