About Frenkel Topping Group

The Frenkel Topping Group of companies specialises in providing financial advice and asset protection services to clients at times of financial vulnerability, with particular expertise in the field of personal injury (PI) and clinical negligence (CN).

For more than 30 years the Group has worked with legal professionals and injured clients themselves to provide pre-settlement, at-settlement and post-settlement services to help achieve the best long-term outcomes for clients after injury. It boasts a client retention rate of 99%.

Frenkel Topping Group is focused on consolidating the fragmented PI and CN space in order to provide the most comprehensive suite of services to clients and deliver a best in-class service offering from immediately after injury or illness and for the rest of their lives.

The Group's services include the Major Trauma Signposting Partnership service inside NHS Major Trauma Centres, expert witness, costs, tax and forensic accountancy, independent financial advice, investment management, and care and case management.

The Group's discretionary fund manager, Ascencia, manages financial portfolios for clients in unique circumstances, often who have received a financial settlement after litigation. In recent years Ascencia has diversified its portfolios to include a Sharia-lawcompliant portfolio and a number of ESG portfolios in response to increased interest in socially responsible investing (SRI).

Frenkel Topping has earned a reputation for commercial astuteness underpinned by a strong moral obligation to its clients, employees and wider society, with a continued focus on its Environmental, Social and Governance (ESG) impact.
