PCI-PAL PLC

("PCI Pal", "the Group", or the "Company")

Issue of Equity and Total Voting Rights

PCI-PAL PLC (AIM: PCIP), the global cloud provider of secure payment solutions for business communications, announces that it has applied for 10,000 ordinary shares of 1 pence each (the "Option Shares") to be admitted to trading on AIM ("Admission").

The Option Shares are being issued pursuant to an exercise of options by an employee of the Company. The Option Shares will rank *pari passu* with the Company's existing Ordinary Shares.

Application has been made to the London Stock Exchange for the Option Shares to be admitted to trading on AIM and it is expected that Admission will be effective, and dealings will commence in respect of the Option Shares on or around 25 June 2025.

Following Admission, the Company's issued share capital will consist of 72,619,818 Ordinary Shares. The Company holds 167,229 Ordinary Shares in Treasury, therefore on Admission the total number of voting rights will be 72,452,589. This figure may be used by shareholders as the denominator for the calculation by which they may determine if they are required to notify their interest in, or change to their interest in, the Company under the FCA's Disclosure Guidance and Transparency Rules.
