**About James Cropper plc**

James Cropper plc is globally recognised for its specialist capabilities in the design and manufacture of advanced materials and paper products. Operating through two principal businesses - Advanced Materials and Paper & Packaging - and built upon 180 years of innovation, the Group serves a diverse range of customers with high-performance solutions tailored to specialised applications.

The Advanced Materials business develops cutting-edge nonwoven materials and electrochemical coatings for sectors including aerospace, clean energy, and defence. The Paper & Packaging business offers premium creative papers and bespoke moulded fibre packaging together with leading recycled-fibre capabilities and products, supporting the transition to a circular economy.

Headquartered in Burnside (UK), with additional manufacturing sites in Crewe (UK), Launceston (UK), and Schenectady (USA), James Cropper leverages deep expertise in material science and longstanding partnerships with industry-leading businesses and brands to develop bespoke solutions that meet complex technical and aesthetic specifications.
