Change of Nominated Adviser
Update on dual listing**

Eurasia Mining PLC ("Eurasia" or the "Company"), the iridium, osmium, palladium, platinum, rhodium, ruthenium and gold mining company announces the appointment of SPARK Advisory Partners Limited as its Nominated Adviser with immediate effect. OAK Securities replaces SP Angel as brokers to the Company.

As announced previously in relation to the dual listing on the Astana International Exchange ("AIX"), there are no remaining compliance conditions for Eurasia to satisfy and the process is progressing towards completion, with trading on AIX expected to commence following the publication of the Company's annual results for the year ended 31 December 2024, which are due to be announced on 30 June 2025.

Christian Schaffalitzky, the Executive Chairman commented: "The Directors are grateful to SP Angel for helping the Company get through very challenging years of 2022-2024. As we are approaching the finish line on our various workstreams including dual listing on Astana International Exchange, we have opted to engage SPARK to assist us going forward. We look forward to providing further updates".
