

30 June 2025

Built Cybernetics plc
("Built Cybernetics", the "Company", or, together with its subsidiaries, the "Group")

Issue of Equity

Built Cybernetics (AIM: BUC), the Smart Buildings group, announces the issue of 387,469 new ordinary shares of one penny each ("Ordinary Shares") to the trustees of the Company's All-Employee Share Option Scheme ("AESOP") to satisfy monthly allocations under the AESOP for the month of June 2025. The new Ordinary Shares are being issued at 1.9p per share, being the mid-market closing price on the trading day prior to the date of the purchase.

Application has been made to the London Stock Exchange for admission ("Admission") of the new Ordinary Shares to be issued to trading on AIM. It is expected that Admission will occur on or around 4 July 2025.

On Admission, the Company's issued ordinary share capital will consist of 355,459,569 Ordinary Shares, with one vote per share. The Company does not hold any Ordinary Shares in treasury. Therefore, on Admission, the total number of Ordinary Shares and voting rights in the Company will be 355,459,569. With effect from Admission, this figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the FCA's Disclosure Guidance and Transparency Rules.
