

1 July 2025 - Tate & Lyle PLC

Tate & Lyle Capital Markets Event

Tate & Lyle PLC (Tate & Lyle) is today hosting a Capital Markets event for investors and analysts in central London.

The event will cover Tate & Lyle's strategy, portfolio, markets and financial framework, and our focus on accelerating top-line growth. The event includes presentations on:

- The CP Kelco business and the power of the combination with Tate & Lyle.
- The growth opportunity for our solutions from addressing key societal trends.
- How our expanded Mouthfeel portfolio and capabilities is strengthening our ability to provide customers with reformulation solutions.
- How our expanded scientific and innovation capabilities, and investment in new technologies, are placing us at the centre of the future of food.

The event will be hosted by Nick Hampton, Chief Executive, Sarah Kuijlaars, Chief Financial Officer, and other members of the Tate & Lyle senior management team.

Following the Group's recent full-year results' announcement on 22 May 2025, no new material trading information or updates in respect of the current financial year ending 31 March 2026 will be provided during the event.

Nick Hampton, Chief Executive said:

"Over the last seven years, we have re-positioned Tate & Lyle to be right at the centre of the future of food, with the portfolio and capabilities to meet customers, consumers and society's growing demand for healthier, more nutritious and sustainable food and drink. A global leader in sweetening, mouthfeel and fortification, Tate & Lyle is a scale, speciality solutions business with a clear focus on accelerating top-line growth.

At today's event we look forward to outlining the large and attractive markets we operate in, showcasing our expanded portfolio and capabilities, and to demonstrate the power of the CP Kelco combination and how it is broadening our solutions offering for customers."

Event details

The event will start at 13.30 BST and is expected to last around 3 hours including Q&A. To join the event live online, including the above presentations and Q&A, please register [here](#). The slides to be presented at the event will also be available from the investor relations section of our website shortly before the event.

About Tate & Lyle PLC:

Supported by our 165-year history of ingredient innovation, we partner with customers to provide consumers with healthier and tastier choices when they eat and drink. We are proud that millions of people around the world consume products containing our ingredients and solutions every day.

Through our leading expertise in sweetening, mouthfeel and fortification, we develop ingredients and solutions which reduce sugar, calories and fat, add fibre and protein, and provide texture and stability to food and drink in categories including beverages, dairy, bakery, snacks, soups, sauces, and dressings.

Tate & Lyle recently acquired CP Kelco, a leading provider of pectin, speciality gums and other nature-based ingredients to create a leader in mouthfeel, significantly enhancing our solutions capabilities. Following this combination, we now have more than 5,000 employees working in around 75 locations in 38 countries, serving customers in more than 120 countries. Science, Solutions, Society is our brand promise and how we will achieve our purpose of Transforming Lives through the Science of Food. By living our purpose, we believe we can successfully grow our business and have a positive impact on society. We live our purpose in three ways, by supporting healthy living, building thriving communities and caring for our planet.

Tate & Lyle is listed on the London Stock Exchange under the symbol TATE.L. American Depositary Receipts trade under TATYY. For the year ended 31 March 2025, and on a pro forma basis which assumes for illustrative purposes that the combination with CP Kelco took place on 1 April 2024, revenue for the enlarged Tate & Lyle Group would have been £2.12 billion.
