**Annulment Insurance Update**

Rockhopper Exploration plc (AIM: RKH), the oil & gas company with key assets in the North Falkland Basin, provides the following update in respect of the insurance policy announced on 14<sup>th</sup> October 2024 and intended to protect against an unsuccessful outcome in the Ombrina Mare ICSID arbitration.

Following the annulment of the award by the ad hoc Panel, as announced on 3<sup>rd</sup> June 2025, Rockhopper submitted claims and statements of loss under the terms of the insurance policy.

The lead insurer has confirmed that the loss has been triggered and, as a result, Rockhopper is therefore confident it will receive the full €31 million amount to which it is entitled under the policy. The Company will make a further announcement once the funds are received.

Rockhopper intends to submit a new request for arbitration and is in discussion with the new funder (announced on 20 December 2023) with regard to the timing of this new request. A further release will be made as and when appropriate.
