RECOMMENDED ACQUISITION

OF

FD TECHNOLOGIES PUBLIC LIMITED COMPANY ("FD TECHNOLOGIES")

BY

KAIROS BIDCO LIMITED ("BIDCO")

(a newly formed company indirectly owned by entities forming part of TA Fund XV)

Scheme of Arrangement Effective

On 8 May 2025, the boards of directors of FD Technologies and Bidco announced that they had reached agreement on the terms and conditions of a recommended acquisition pursuant to which Bidco will acquire the entire issued, and to be issued, ordinary share capital of FD Technologies (the "**Acquisition**"). The Acquisition is being effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006 (the "**Scheme**").

The circular relating to the Scheme was published by FD Technologies on 5 June 2025 (the "**Scheme Document**"). Capitalised terms used but not defined in this announcement have the meanings given to them in the Scheme Document.

On 17 July 2025, FD Technologies and Bidco announced that the High Court of Justice in Northern Ireland had made an order sanctioning the Scheme under section 899 of the Companies Act at the Court Sanction Hearing on that day.

Scheme effective

FD Technologies and Bidco are pleased to announce that, following delivery of the Court Order to the Registrar of Companies today, the Scheme has now become Effective in accordance with its terms.

Suspension and cancellation of listing and trading

The admission to trading of FD Technologies' Shares on AIM and Euronext Growth Dublin were suspended with effect from 7.30 a.m. today.

Following applications to the London Stock Exchange and to Euronext, the cancellations of the admission to trading of FD Technologies' Shares on AIM and Euronext Growth Dublin are expected to take effect at 7.00 a.m. tomorrow morning.

As a result of the Scheme becoming Effective, share certificates in respect of FD Technologies Shares cease to be valid documents of title and entitlements to FD Technologies Shares held in uncertificated form in CREST are being cancelled.

Results of the Alternative Offer and settlement of consideration

A Scheme Shareholder on the register of members of FD Technologies at the Scheme Record Time, being 6.00 p.m. on 18 July 2025, who did not elect for the Alternative Offer will be entitled to receive £24.50 in cash for each Scheme Share held.

As the number of valid elections for the Alternative Offer would have required the issue of Rollover Securities exceeding the Alternative Offer Maximum, Scheme Shareholders who made valid elections for the Alternative Offer have had such elections scaled down on a pro rata basis by approximately 57.46 per cent. therefore, a Scheme Shareholder on the register of members of FD Technologies at the Scheme Record Time who elected for the Alternative Offer in advance of the Alternative Offer Election Return Time (each, an "**Electing Shareholder**") will be entitled to receive, pursuant to the Rollover Mechanism, approximately 1042 Rollover Shares and approximately £14.08 in cash for each Scheme Share held (with any fractions of a Rollover Share resulting from such scaling being rounded down to the nearest whole number of a Rollover Share).

Settlement of the cash consideration to which each Scheme Shareholder is entitled will be effected by way of the despatch of cheques or electronic payment mandate (for Scheme Shareholders holding Scheme Shares in certificated form) or the crediting of CREST accounts (for Scheme Shareholders holding Scheme Shares in uncertificated form) (or other such method approved by the Panel) as soon as practicable and in any event not later

uncertificated form) (or other such method approved by the Panel) as soon as practicable and in any event not later than 14 days after the Effective Date (i.e. by 4 August 2025), as set out in Clause 5 of the Scheme Document.

Regardless of whether the Scheme Shares are held at the Scheme Record Time in certificated or uncertificated form, definitive certificates for the Rollover Shares will be dispatched by first class post (or by international post or airmail, if overseas) as soon as practicable and in any event not later than 14 days after the Effective Date (i.e. by 4 August 2025). No certificates for Rollover Shares will be despatched to addresses in Restricted Jurisdictions. Further information regarding the settlement of consideration pursuant to the Alternative Offer is available in Clause 5 of Part V (*The Scheme of Arrangement*) of the Scheme Document.

All cheques for the cash consideration and definitive certificates for the Rollover Shares will be despatched to the person entitled thereto at the address as appearing in the register of members of FD Technologies as at the Scheme Record Time or in accordance with any special standing instructions regarding communications (except that, in the case of joint holders, Bidco reserves the right to make such cheques payable to the joint holder whose name stands first in the register of members of FD Technologies in respect of such holding at the Scheme Record Time or to make such cheques payable to all joint holders). None of FD Technologies, Bidco, any nominee(s) of FD Technologies or Bidco, or any of their respective agents shall be responsible for any loss or delay in the transmission of cheques sent in this way, and such cheques shall be sent at the risk of the person or persons entitled thereto.

Board changes

As the Scheme has now become Effective, FD Technologies announces that, as of today's date, Donna Troy, Ayman Sayed, Thomas Seifert and Usama Fayyad have stepped down from the FD Technologies Board.

General

Full details of the Acquisition are set out in the Scheme Document.

FD Technologies is no longer in an "Offer Period" as defined in the Takeover Code, and accordingly, the dealing disclosure requirements previously notified to shareholders no longer apply.

Notice to US FD Technologies Shareholders

The Acquisition relates to the shares of a Northern Irish company and is being made by means of a scheme of arrangement provided for under the laws of Northern Ireland. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure and procedural requirements and practices applicable in the UK to schemes of arrangement, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document) has been prepared in accordance with generally accepted accounting principles of the UK and thus may not be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. Each FD Technologies Shareholder is urged to consult its independent professional adviser immediately regarding the tax consequences to it (or to its beneficial owners) of the Acquisition.

The Rollover Securities issued under the Alternative Offer have not been, and will not be, registered under the US Securities Act or under the relevant securities laws of any state or territory or other jurisdiction of the United States, will not be listed on any stock exchange in the United States and may not be offered or sold in the United States absent registration or an available exemption from, or a transaction not subject to, the registration requirements of under the US Securities Act. To the extent Bidco effects the Alternative Offer as a scheme of arrangement under the laws of Northern Ireland, the Rollover Securities will be issued in reliance upon the exemption from the registration requirements of the US Securities Act provided by Section 3(a)(10) thereof ("**Section 3(a)(10)**"). Section 3(a)(10) exempts securities issued in specified exchange transactions from the registration requirements of the US Securities Act where, among other things, the fairness of the terms and conditions of the issuance and exchange of such securities have been approved by a court or governmental authority expressly authorised by law to grant such approval, after a hearing upon the fairness of the terms and conditions of the exchange at which all persons to whom the Rollover Securities are proposed to be issued have the right to appear and receive adequate and timely notice thereof.

Where Bidco believes that an election for the Alternative Offer by any FD Technologies Shareholder may infringe applicable legal or regulatory requirements, or may result in a requirement for a registration under the US Securities Act, US Exchange Act or any other securities laws in the United States, Bidco will have the right to deem that such FD Technologies Shareholder has not elected for the Alternative Offer and such FD Technologies Shareholder will instead receive cash consideration in respect of the FD Technologies Shares which were subject to such an election in accordance with the terms of the Cash Offer.

Following the Scheme becoming effective and except with the approval of Topco, the Rollover Shares may not be offered, sold, resold, taken up, delivered or transferred, directly or indirectly, in or into the United States or to or for the account or benefit of any person believed to be a US Person, or in any other manner whatsoever, as a result of which a registration under the US Securities Act or the US Exchange Act would be required. Any transfer of Rollover Shares to a US Holder shall require the approval of Topco.

If, in the future, Bidco exercises its right to implement the Acquisition by means of a Takeover Offer (with the

consent of the Panel and subject to and in accordance with the terms of the Co-operation Agreement) which is to be made into the United States, such a Takeover Offer will be made in compliance with all applicable US laws and regulations, including any applicable exemptions under the US Exchange Act, and, in respect of the issuance of Rollover Securities, pursuant to exemptions from, or in transactions not subject to, the registration requirements under the US Securities Act. Such a Takeover Offer would be made in the United States by Bidco and no one else.

An FD Technologies Shareholder who is an "affiliate" (within the meaning of the US Securities Act) of the FD Technologies Group prior to or after the Effective Date who receives Rollover Securities, will receive "restricted securities" as defined in Rule 144 under the US Securities Act. Under applicable US federal securities laws, persons who are or will be "affiliates" of the FD Technologies Group, within the meaning of the US Securities Act may not resell the Rollover Securities received as a result of the Alternative Offer without registration under the US Securities Act, except pursuant to the applicable resale provisions of Rule 144 under the US Securities Act or another applicable exemption from registration or in a transaction not subject to registration (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act). Whether a person is an affiliate of a company for purposes of the US Securities Act depends on the circumstances, but affiliates can include certain officers, directors and significant shareholders. Persons who believe they may be affiliates of FD Technologies should consult their own legal advisers before any sale of securities received in the Alternative Offer.

Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved or passed judgement upon the fairness or the merits of the Alternative Offer or determined if the Scheme Document is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US. The receipt of cash consideration by a US FD Technologies Shareholder as consideration for the transfer of its FD Technologies Shares pursuant to the Acquisition may be a taxable transaction for United States federal income tax purposes and may also be a taxable transaction under applicable state and local tax laws, as well as non-US and other tax laws. The Rollover Mechanism may allow Rollover Shareholders who are U.S. persons to roll their equity in FD Technologies into Rollover Shares on a tax-deferred basis for U.S. tax purposes, however, no guarantee can be provided that such treatment will be achieved. Each US FD Technologies Shareholder is urged to consult its independent professional tax adviser immediately regarding the tax consequences of the Acquisition (including the Alternative Offer) applicable to them, including under applicable United States and local, as well as overseas and other, tax laws.

In the event that the Acquisition is implemented by way of a Takeover Offer (with the consent of the Panel and subject to and in accordance with the terms of the Co-operation Agreement), in accordance with normal UK practice and pursuant to Rule 14e-5(b), Bidco or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of FD Technologies outside of the US, other than pursuant to such a Takeover Offer, during the period in which such a Takeover Offer would remain open for acceptances. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

FD Technologies and Bidco are both incorporated under the laws of Northern Ireland. Some or all of the officers and directors of FD Technologies and Bidco, respectively, are residents of countries other than the United States. In addition, some or all of the assets of FD Technologies and Bidco are or may be located in jurisdictions outside of the United States. As a result, it may be difficult for US holders of FD Technologies Shares to enforce their rights and any claim arising out of the US federal laws or to enforce against them a judgment of a US court predicated upon the federal and state securities laws of the United States. US holders of Scheme Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

The statements contained in the Scheme Document are made as at the date of the Scheme Document, unless some other time is specified in relation to them, and service of the Scheme Document shall not give rise to any implication that there has been no change in the facts set forth in the Scheme Document since such date. Nothing in the Scheme Document shall be deemed to be a forecast, projection or estimate of the future financial performance of FD Technologies, the FD Technologies Group, Bidco or the Bidco Group, except where otherwise stated.
