

Please note that, following the publication of the June 2025 BH Macro Shareholder Report, the dates in the two performance attribution tables have been corrected. The original version misstated the row labels as Apr-24, May-24, and Jun-24; the correct dates are Apr-25, May-25, and Jun-25. The underlying performance data was unaffected. This reissued version of the report reflects this correction.
