

24 JULY 2025

€500 MILLION SHARE BUYBACK PROGRAMME TO COMMENCE

Vodafone Group Plc ("Vodafone") today announces that it will commence a share repurchase programme of ordinary shares in the share capital of Vodafone of US 0.20 20/21 each (the "Ordinary Shares") up to a maximum consideration of €500 million (the "Programme").

Vodafone announces that it has given a non-discretionary instruction to Goldman Sachs International ("GSI") in relation to the purchase by GSI, acting as riskless principal during the period commencing on 24 July 2025 and ending no later than 10 November 2025, of Ordinary Shares for a target expense amount of no greater than €500 million and the simultaneous on-sale of such Ordinary Shares by GSI to Vodafone.

Any purchase of Ordinary Shares done in relation to this announcement will be carried out on the London Stock Exchange and Multilateral Trading Facilities, as defined by the Directive 2014/65/EU on markets in financial instruments (including the delegated and implementing acts adopted under it) as implemented, retained, amended, extended, re-enacted or otherwise given effect in the United Kingdom from 1 January 2021 and as amended or supplemented in the United Kingdom thereafter, and executed in accordance with the Listing Rules and Vodafone's general authority to make market purchases of Ordinary Shares granted by shareholders at the 2024 Annual General Meeting ("2024 AGM") pursuant to which the Company is authorised to repurchase up to 4,053,092,397 Ordinary Shares. The sole purpose of the Programme is to reduce share capital. Ordinary Shares acquired by GSI will be subsequently repurchased by Vodafone, held as treasury shares and then either cancelled or allocated to employee share awards as they fall due.

The Ordinary Shares will be purchased in accordance with the price and volume conditions set out in the Commission Delegated Regulation (EU) 2016/1052 of 8 March 2016 supplementing Regulation (EU) No 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buyback programmes and stabilisation measures as implemented, retained, amended, extended, re-enacted or otherwise given effect in the United Kingdom from 1 January 2021 and as amended or supplemented in the United Kingdom thereafter.

Details of the authority granted at the 2024 AGM can be found within the 2024 Notice of Meeting on our website.

About Vodafone

Vodafone is a leading European and African telecoms company.

We serve over 340 million mobile and broadband customers, operating networks in 15 countries with investments in a further five and partners in over 40 more. Our undersea cables transport around a sixth of the world's internet traffic, and we are developing a new direct-to-mobile satellite communications service to connect areas without coverage. Vodafone runs one of the world's largest IoT platforms, with 205 million IoT connections, and we provide financial services to around 88 million customers across seven African countries - managing more transactions than any other provider.

From the seabed to the stars, Vodafone's purpose is to keep everyone connected.
