[1] Listing rule 4.11 requires an entity that has a dual listing on ASX and an overseas exchange and has CDIs issued over quoted securities, to complete an Appendix 4A and give it to ASX within 5 business days of the end of each month. An entity that has a dual listing on ASX and an overseas exchange and that is proposing to issue new equity securities and to have quoted CDIs over some or all of them, should notify ASX of the proposed issue of the underlying securities using an Appendix 3B and apply for the CDIs to be quoted using an Appendix 2A.

[2] This is the ratio at which CDs can be transmuted into the underlying security (e.g. 4:1 means 4 CDs represent 1 underlying security whereas 1:4 means 1 CD represents 4 underlying securities).

[3] The net difference should equal the number of underlying securities transmuted into CDs during the month less the number of CDs transmuted into underlying securities during the month
